---

Dear Sirs ,

I can confirm that my client or I on his behalf wish to speak at both a Compulsory Acquisition Hearing and an Open Floor Hearing in connection with the A303 Stonehenge Scheme.

My client would also like the panel to consider having an Issue Specific hearing in connection with the lack of detailed analysis available from the published material, which led Highways England to decide that his 137 acre field of high quality agricultural land to be required for the tunnel arisings and without providing the justification for doing so. The essential need for this is not mentioned in the published documentation.

Yours faithfully
