**Subject:** Open Floor Hearing

Dear Sirs/Madam,

I would like the opportunity to participate at the Open Floor Hearing (4) on the 23<sup>rd</sup> May at 1900.

The reason behind this, is that we have further information since I submitted our representation to the Inspectorate and I have attached this for your information. This detail is taken from the SID (Speed Indicator Device) and can you please take note of the number of vehicles which accessed our village of Shrewton from just one of the 4 entries over a 16 week period.....one of which used speeds in excess of 80 mph.

Best regards

Janice Hassett
