# 1 Introduction

## 1.1 Purpose of this document

- 1.1.1 This document provides a guide to Highways England's A303 Amesbury to Berwick Down Project Development Consent Order application.
- 1.1.2 The original application was submitted to the Planning Inspectorate on 19 October 2018, and accepted for examination by the Examining Authority on 16 November 2018.
- 1.1.3 Subsequent to the initial submission some of these documents will be updated and further documents will be produced in response to requests by the Examining Authority.
- 1.1.4 This is a live document and will be updated throughout the examination period and submitted, when updated, for each deadline.

## 2 Master Document List

- 2.1.1 The master document list table commences on page 2-2 and provides a full list of all the documents submitted to date, indicating either the latest revision (if applicable) or when a new document was submitted.
- 2.1.2 For ease of navigation these documents are grouped by volumes as follows (note the colours continue throughout on the document covers):

**Table 2-1: Document Navigation**

Volume title	This volume...
1. Application Information	provides details of the specific application information required by the Planning Inspectorate
2. Plans and Drawings	contains the plans which show where we propose to undertake the work
3. Draft Development Consent Order	outlines the legal powers we are seeking from the Government to build the proposed development
4. Compulsory Acquisition Information	provides evidence of why we require legal powers of compulsory acquisition
5. Consultation Report	provides details of the pre-application consultation that we have undertaken on the project
6. Environmental Statement	shows how we assessed the potential impact on the environment
7. Other Documents	includes additional documents produced for the application submission
Additional Submissions	is for new documents submitted to the Planning Inspectorate between the application submission and the Start of Examination
8. Examination Submissions	Is for new documents submitted to the Planning Inspectorate during the Examination

Documents highlight in green are the latest versions
