Dear Sir/Madam,

I wish to lodge an objection to the proposed closure of numerous byways (temporary or permanent) around Stonehenge. I understand that there needs to be a solution to the traffic problems in the area, but this can be addressed without closing these byways. The current proposal appears to be driven by English-Heritage and their wish to enforce no unpaid viewing of Stonehenge, not the actual traffic issues.

There are cheaper more public friendly ways to address the traffic issues.....

Kind regards,
Garry
