**Subject:** A303 Amesbury to Berwick Down Project

Dear Sir/Madam,

In the light of the unaccompanied Site Inspection (USI) undertaken by Mr Edwin Maund, a member of the Examining Authority (ExA) on the afternoon of Wednesday 10 July 2019 which took in the route through Shrewton and in particular London Road where our Speed Indicator Devices (SIDs) are to be found, I would now like to update the Examining Authority on the June Analysis from these SIDs a copy of which is attached. The ExA already have the figures registered for the 15 days across Easter and there will continue to be monthly updates should the ExA require them. You will note that the figure for June is a massive 168,393 vehicles with a top speed of 78mph. It needs to be noted that June has no Bank Holidays and there are NO school holidays during this analysis.

Our Parish Council are arranging further SIDs to be installed on the A360 through our village.

Best regards

Janice Hassett
