**Subject:** A303 Tunnels at Stonehenge

I have been informed that as Transport Minister you are now required to make a decision by 17 July upon the scheme that currently includes constructing tunnels past Stonehenge.

May I suggest that the current financial situation gives the opportunity to not approve the scheme as it stands but to remove the quite unnecessary tunnels with their enormous expense and subsequent permanent maintenance costs. By-passing Winterbourne Stoke is the essential part of the scheme.

B.R. Peeke C.Eng., M.I.C.E.
