Dear Mr Shapps

**Re: Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010**

**Application by Highways England (“the Applicant”) for an Order granting Development Consent for the construction of a new two-lane dual carriage way for the A303 between Amesbury and Berwick Down in Wiltshire**

I refer to your letter of 20 August 2020 and confirm that Oxfordshire County Council has no comments on the Other Information supplied by the Applicant.

With regard to the development as a whole the view of our County remains the same, in that there is negligible impact on our Network, and therefore we have no objections.

Yours sincerely

Keith Stenning  
Head of Service – Network Management
