Dear Sir/Madam,

I'd like to express my wholehearted disapproval of the plan for building a road tunnel on the A303 and strongly urge commitment to opting for an alternative that has much reduced detrimental impact on the world heritage site.

As a UK citizen I demand that my view and that of others, be taken into account and be given equal voice in any decisions that are taken, regarding the conservation of the site as it is.

Yours sincerely

Nigel Gilderson
