Subject: Redetermination of A303 Stonehenge scheme
Date: 08 March 2022 21:19:44

My view is that clever people can work out an alternative highway to the west of England rather than ruin the Stonehenge landscape.

The A303 evolved because in the past the A30 was the route to Cornwall.

Please work out how the Stonehenge landscape can be preserved rather than ruined by the excavation of a tunnel.

The A30 could be widened and a bypass for Salisbury could be built.

Sincerely

Iris Holden
