Subject: Redetermination of A303 Stonehenge scheme
Date: 09 March 2022 08:36:15

Hello

I am concerned that this fundamentally flawed scheme is still being pushed forward. I see no significant changes to account for this and therefore the original arguments still stand. This sensitive landscape must not be so altered-both in terms of archaeological impact and in terms of severe degradation to the natural environment and wildlife. Leave the site be.

Please log my concerns and objections.

Sara Daw
