Dear Sirs,

I understand you are revisiting the Stonehenge A303 scheme.

I believe you have not properly addressed concerns such as those raised by the 2021 World Heritage Committee [REDACTED] into account nor have you fully assessed alternative routes less damaging to the World Heritage Site such as a southern bypass route which would be cheaper even if there might be some problems with it, or a longer tunnel which would reduce impact on the World Heritage Site.

I would urge you to explore less damaging alternatives, since this site is irreplaceable.

**kind regards,
Ken Grayling**
