Dear Inspectorate ([REDACTED])

This new Scheme does NOT address any of the major criticisms of an earlier scheme and constitutes Vandalism on an World Heritage Site -- SHAMEFUL

This Scheme MUST also be rejected totally - you know what to do to create a suitable subterranean By Pass - just DO it!!

I am Dr A R GREENWAY [REDACTED]

Sincerely

ARG

PS I copy to my MP as an indicator of my concern about this appalling [REDACTED] Scheme.
