Morning

This is your chance to do the right thing to protect Stonehenge. This is the priority, not cars! Don't mess up.

Morning

I am, along with a huge number of other right-minded people concerned you mess up when deciding on the carnage this new road will cause should it go ahead.

If you were made legally liable for your decision would you still proceed with the existing plans? I can't believe you would continue with the risk of the destruction of thousands of years of history still not even uncovered.

PLEASE REROUTE THE ROAD SO THAT THE FAR MORE IMPORTANT  
EXTENDED SITE OF STONEHENGE CAN BE SAVED.
