Subject: Redetermination of A303 Stonehenge scheme

Dear sirs,

I am concerned about the scheme as National Highways has not :

- 1 taken the 2021 World Heritage Committee decision into account ;
- 2 acknowledged that the Secretary of state found that the scheme 's impact on the proposed western cutting area would be' significantly adverse ` ;
- 3 fully assessed alternatives less damaging to the World Heritage Site ;
- 4 explored alternatives to hard engineering solutions ;
- 5 updated the scheme construction costs ;
- 6.updated the carbon assessment and costs.

As you will appreciate, concern regarding climate change is increasing, which is why the 2021 Environment Act provides new ambitions for nature recovery, so any scheme for this area must surely be aligned with these issues.
