Subject: Redetermination of A303 Stonehenge scheme
Date: 10 March 2022 17:02:15

Hi,

Please reconsider the future of the Stonehenge site with latest climate change emission concerns HIGH on your Agenda,,,,,,
and all the concerns/ advice of the 2021 World Heritage Committee. We people are so concerned, especially if we aren't trying to do our best for future generations.

Thanks for your consideration.

Regards and good hopes for the future.

Jill Hollingworth
