Subject: Redetermination of A303 Stonehenge scheme

I am writing to express my concern about this scheme. I understand that National Highways has failed to make any changes to the proposed scheme, despite the World Heritage Committee's threat to remove World Heritage status from the site if it goes ahead; and despite the Secretary of State's statement that the scheme's impact would be "significantly adverse".

I know I am not alone in calling for further exploration of alternatives to this damaging scheme.

Yours
Sue Fasquelle
