**Subject:** Redetermination of A303 Stonehenge scheme  
**Date:** 04 April 2022 15:27:55

---

Good afternoon,

I would like to register my objections to this scheme. It would be damaging on so many fronts and for multiple reasons but not least the damage to the site and surrounding area. No amount on management will be able to avoid this damage to the environment during construction.

Please do not go ahead with development in any form. Please do think of our children's future and the world we leave them.

Best regards  
Kevin Tallett
