Dear Mr Shapps,

I am writing to ask you to re examine. The Development Consent Order for Stonehenge.

Expectations and responsibilities have changed since 2019 for example ,the Environment Act 2021 . Concern for the environment and climate change with its ambition to reduce emissions .

Has there been an update on costs ? These big projects are notoriously under costed.

How does UNESCO feel about your present plans? To call it a unesco site you have to have their approval.

Please look again at other possibilities for protecting this impressive and important site
