---

Dear Sirs

I should like you to take the following points into consideration when making a new decision on the above scheme

National Highways have not made any changes to the scheme to take account of the 2021 World Heritage Committee decision

Fully assessed alternatives – eg a Southern route or a longer tunnel

Updated the cost estimates

Updated the carbon assessment for the scheme or taken account the need to move away from road transport to meet net zero targets.

Yours faithfully

Rosemary Lovegrove, [REDACTED] (regular user of A303)
