Subject: Redetermination of A303 Stonehenge scheme
Date: 03 April 2022 17:58:33

I believe that the scheme you have devised does not take into account the serious deterioration of this historic and archaeological site. The proposed tunnel is too short. You have not considered a southern by pass. You have not really considered the environmental deterioration. I believe your scheme should be scrapped and alternative schemes created.
Regards Robert Golding.
