Dear Inspectorate

In common with many others I am alarmed at the proposal to dig a tunnel so near to Stonehenge. Ever since my first visit there, in 1945, (or maybe 1946) I have a sense of awe at what our long-ago ancestors created. It should not be damaged in any way by today's planners and motor cars.

I urge you to reconsider the Development Consent Order.

Michael Bassey. (Emeritus professor)
