I was going to do a lengthy, multi - paragraphed message with all the reasons why this is not a good idea. I then thought, will it really make a difference?

Look at HS2. A massive, unnecessary over budget monstrosity and that is going ahead.

I feel very old, very tired and very sad when I see all the horrible things being done to our beautiful country.

I will say simply this: just because you can do something, it does not mean that you should.

Yours very sincerely,  
Sally Baverstock.
