I wish to confirm my agreement with the following points:

- **National Highways has not made any changes to the Scheme to take the 2021 World Heritage Committee [REDACTED] into account;**
- National Highways has not acknowledged that the Secretary of State found the Scheme's impact on the proposed western cutting area would be "**significantly adverse**";
- **fully assessed alternative routes less damaging to the World Heritage Site** e.g., a southern bypass route would be cheaper even if there might be some problems with it, while a longer tunnel would reduce impact on the World Heritage Site;

Yours faithfully
Gillian Murton
