Dear Mr O'Hanlon

Application by National Highways for an Order granting Development Consent for the the A303 Amesbury to Berwick Down (Stonehenge) scheme.

REQUEST FOR COMMENTS FROM ALL INTERESTED PARTIES AND THE APPLICANT
(['SoS letter'](#) of 24 February 2022)

The National Trust has reviewed and noted the submissions of National Highways published on the Planning Inspectorate website on 24 January 2022 and 23 February 2022 (and as republished later). On consideration of these materials, we believe the information remains consistent with our position on the proposed scheme as stated in the Examination.

Noting National Highways response in relation to UNESCO matters (supplied in ['Redetermination-1.5'](#)). We call on the parties to engage in proactive dialogue and work together to explore and agree potential detailed design modifications within the scope of the draft DCO to address the remaining concerns.

Yours sincerely
