Subject: A303 Amesbury to Berwick Down: carbon consultation
Date: 10 June 2022 09:53:48

Good morning.

Councillors considered the points of the consultation at their meeting on Tuesday 7th June 2022.

Amesbury Town Council would ask if, to offset the effect of the short-term emissions, it would be possible to fund and facilitate tree planting in the local area or to fund alternative projects of 'negative carbon' value – eg. provision of local electric charging infrastructure / solar panels or similar?

Many thanks

Best wishes
