Dear Sir or Madam,

Planning Act 2008 (as amended) and the Infrastructure Planning (Examination Procedure) Rules 2010

Application by National Highways ("the Applicant") for an Order granting Development Consent for the construction of a new two-lane dual carriage way for the A303 between Amesbury and Berwick Down in Wiltshire

The Secretary of State's request of 13 July 2022 for comments on the information provided by the Applicant in response to his consultation letter of 20 June 2022

The Directors of Save Stonehenge World Heritage Site understand that The Stonehenge Alliance (ref. 2001870) has been kindly granted an extension until 17 August by which to submit comments on the above consultation.

We wish to inform you that we are expecting to support the Stonehenge Alliance's submissions but are obviously unable to do so until they are finalised.

Although the Company was not an Interested Party at the Examination of the Scheme in 2019, not being in existence at that time, its Directors and Secretary, as supporters of the Stonehenge Alliance, made Relevant Representations and/or took part in the Examination either as individuals or in submissions for the Stonehenge Alliance. We are also involved in the preparation of the Alliance's submissions to the current consultation.

We therefore ask that the Secretary of State for Transport will be minded, please, to allow us to make a brief final submission to this stage of the redetermination consultation by 17 August after we have seen the final Stonehenge Alliance submissions.

Yours faithfully,

John Adams

Director, Save Stonehenge World Heritage Site Ltd.
