Dear Sir or Madam,

Planning Act 2008 (as amended) and the Infrastructure Planning (Examination Procedure) Rules 2010

Application by National Highways (“the Applicant”) for an Order granting Development Consent for the construction of a new two-lane dual carriage way for the A303 between Amesbury and Berwick Down in Wiltshire

The Secretary of State’s request of 13 July 2022 for comments on the information provided by the Applicant in response to his consultation letter of 20 June 2022

We wrote to you on 2 August 2022 asking for more time in which to respond to the above consultation and are grateful to the Secretary of State for allowing us an extension until 17 August (affirmed via email from the Planning Inspectorate (National Infrastructure) to our Secretary on 4 August 2022).

I am now able to confirm that The Directors of Save Stonehenge World Heritage Site Limited wish you to know they fully support the responses to the consultation that the Stonehenge Alliance (ref. 2001870) submitted to the Planning Inspectorate earlier today.

Yours faithfully,

[REDACTED]
