Subject: A303 destroying the Stone Henge area
Date: 17 September 2022 19:23:46

Dear Sir or Madam

It really worries me that building has already started on the A303. There's an area of big road construction that I drove through today on my return journey from Devon to Hampshire. It's South of the Stone henge area. It's been going on since last year, at least.

I fear that it's going to join up to the A303 road plans at Stone henge, and I don't like the construction at all.

Please don't build over the Stone Henge area.

Thank you.

Yours faithfully
