## Dear Rt Hon Anne-Marie Trevelyan MP

I have read the [report of the Advisory Mission](#) and agree with its principal finding,  
i.e. that the scheme would have an adverse impact on this important neolithic site and that a southern bypass should be further explored.

I have given tours to Stonehenge and we have spent many tens of thousands of pounds in Wiltshire.  
I would not want this site to be further desecrated with a tunnel.

Thank you for considering a better option!
