Dear Rt Hon Anne-Marie Trevelyan MP,

I am most concerned about the existing plans for the A303 passing so close to Stonehenge, and urge that a less damaging scheme, such as a southern bypass, should be sought and, at the very least, any tunnel should be extended to the western WHS boundary.

Thank you for your attention, and I hope that you will do your very best for this priceless World Asset !!

Yours sincerely,
Dr R S M Kent
