Dear Sir/Madam,

I, Mrs Nicola Perry, [REDACTED], would recommend you cancel your plans for disrupting the whole area of Stonehenge! It is a spiritual area for people to meditate etc! This cannot be done should any of your plans go ahead! Which in my opinion should never be allowed in the first place! The upheaval of all your plans go completely against spirituality and meditation purposes! Which you evidently do not understand at all!

I am totally against all your plans for wrecking and causing unpleasant plans of upheaval of nature surrounding Stonehenge on the A303. My new e-mail address is

[REDACTED] Thank you!

Yours Sincerely

Mrs Nicola Perry
