Subject: RE: TR010026 - A30 Chiverton to Carland Cross - EIA scoping notification and consultation
Date: 11 September 2017 13:36:39
Importance: High

Please accept my apologies for any delay. For local Councils August is by far and away the worst time of the year in which to request responses to consultations – a notion perhaps exacerbated in such a tourist hotspot as Cornwall as well. There are fewer, sometimes no, Parish Council meetings in August itself, and offices are staffed less than at all other times of the year. Regardless of a statutory requirement on the deadline expressed below, I hope that the Planning Inspectorate recognise the inconvenient (purposely or otherwise) timing of such an important consultation. I strongly suggest that any such consultations do not take place in August in future.

St Agnes Parish Council considered the request for information to be provided in the Environmental Statement and have the following comments:

RESOLVED to inform the Planning Inspectorate of the need for an Environmental Impact Study to assess noise implications for the surrounding area (Goonbell/Goonown) and beyond; therefore clarification is required in the report regarding the extent of the raising of the expressway.

The Council request information on when there will be an Environmental Study undertaken to assess the potential noise pollution across the Parish (not only the adjoining properties) arising from a raised expressway.

Regards

Lee Dunkley BA (Hons), MPhil
St Agnes Parish Clerk

Subject: TR010026 - A30 Chiverton to Carland Cross - EIA scoping notification and consultation

Dear Sir/Madam,

Please see attached correspondence on the proposed A30 Chiverton to Carland Cross.

Please note the deadline for consultation responses is 7 September 2017 and is a statutory requirement that cannot be extended.

Kind regards,

Katherine King
