**Table 1-1 Acquisition of Land - by Plot Number**

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
1	1/1e	3f	Required for the realignment of the B3277	Works associated with the realignment of the existing B3277
1	1/1f	3f	Required for the realignment of the B3277	Works associated with the realignment of the existing B3277
1	1/1j	3f	Required for access for unnamed access road U6 to and from the realigned B3277	Works associated with a length of new highway to unnamed road
1	1/1m	1 / 3f / 3l / 13	Required for the new A30 Required for the realignment of the B3277 Required for the closure and demolition of the existing A30 Chiverton Cross Roundabout Required for the diversion of telecoms equipment	Works associated with the construction of the new A30 and realignment of the B3277 and associated planting
1	1/1n	1 / 48	Required for the new A30 Required for the diversion of telecoms equipment	Works associated with the construction of the new A30
1	1/1p	1	Required for the new A30	Works associated with the construction of the new A30
1	1/1r	1	Required for the new A30	Works associated with the construction of the new A30
1	1/1s	1 / 48	Required for the new A30 Required for telecoms equipment	Works associated with the construction of the new A30
1	1/1u	1 / 48	Required for the new A30 Required for the diversion of telecoms equipment	Works associated with the construction of the new A30
1	1/1v	3f / 3n / 13	Required for the realignment of the B3277 Required for the construction of a public rest area on the realigned B3277 Required for the diversion of telecoms equipment	Works associated with the realignment of the existing B3277
1	1/1w	1 / 3f / 3i / 3n / 3l / 13	Required for the new A30 Required for the realignment of the B3277 Required for the realignment of the A390 Required for the construction of a public rest area on the realigned B3277 Required for the closure and demolition of the existing A30 Chiverton Cross Roundabout Required for the diversion of telecoms equipment	Works associated with the construction of the new A30 and associated side roads and planting

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
1	1/1x	1 / 3a / 3i / 3n / 13	Required for the new A30 Required for the construction of a new eastbound off-slip from the main carriageway of the new A30 Required for the realignment of the A390 Required for the construction of a public rest area on the realigned B3277 Required for the diversion of telecoms equipment	Works associated with the construction of the new A30 and associated side roads
1	1/1y	3i / 3l	Required for the realignment of the A390. Required for the closure and demolition of the existing A30 Chiverton Cross Roundabout	Works associated with the construction of the realignment of the A390
1	1/1z	1 / 3a / 3f / 14	Required for the new A30 Required for the construction of a new eastbound off-slip from the main carriageway of the new A30 Required for the realignment of the B3277 Required for the diversion of water pipeline and equipment	Works associated with the construction of the new A30 and associated side roads
1	1/1ab	3i / 49	Required for the realignment of the A390 Required for the diversion of telecoms equipment	Works associated with the construction of the realignment of the A390
1	1/1ad	3i / 49	Required for the realignment of the A390 Road Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A390
1	1/1ae	3i / 49	Required for the realignment of the A390 Road Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A390
1	1/1af	3i	Required for the realignment of the A390 Road	Works associated with the realignment of the existing A390
1	1/1ag	1 / 3f / 3i / 3k / 3h / 3p / 3n / 1dd	Required for the new A30 Required for the realignment of the B3277 Required for the realignment of the A390 Road Required for the realignment of unnamed road C0005 Required for the realignment of the existing A30 Required for the construction of an unclassified road to access Trevisome Park Required for the construction of a public rest area on the realigned B3277 Required for the construction of a walking, cycling and horse riding underbridge under the main carriageway and slip roads at Chiverton Cross	Works associated with the construction of the new A30 and associated side roads

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
1	1/1ah	3i / 3o / 3h / 1dd	Required for the realignment of the A390. Required for the construction of a walking, cycling and horse riding link to the north and south of the junction circulatory carriageway of the new A30 Required for the realignment of the existing A30 Required for the construction of a walking, cycling and horse riding underbridge under the main carriageway and slip roads at Chiverton Cross	Works associated with the realigned A390 and WCH underpass and associated planting
1	1/2	1a	Required for the construction of drainage attenuation pond no. 1 with associated drainage facilities, access and landscaping	Works associated with the construction of new drainage attenuation pond 1 and associated planting
1	1/2a	3i	Required for the realignment of the A390 Road	Works associated with the realignment of the existing A390
1	1/3	3f	Required for the realignment of the B3277	Works associated with the realignment of the existing B3277
1	1/3a	3f	Required for the realignment of the B3277	Works associated with the realignment of the existing B3277
1	1/4	1a	Required for the construction of drainage attenuation pond no. 1 with associated drainage facilities, access and landscaping	Works associated with the construction of new drainage attenuation pond 1 and associated planting
1	1/5	3f	Required for access for unnamed road U6 to and from the realigned B3277	Works associated with a length of new highway to unnamed road
1	1/6a	3f	Required for the realignment of the B3277	Works associated with the realignment of the existing B3277
1	1/9a	1 / 3f / 3a / 3n / 13 / 14	Required for the new A30 Required for the realignment of the B3277 Required for the construction of a new eastbound off-slip from the main carriageway of the new A30 Required for the construction of a public rest area on the realigned B3277 Required for the diversion of telecoms equipment Required for the diversion of water pipeline and equipment	Works associated with the construction of the new A30 and associated side roads and planting
1	1/10	3i / 14	Required for the realignment of the A390. Required for the diversion of water pipeline and equipment	Works associated with the construction of the realignment of the A390
1	1/10e	3i	Required for the realignment of the A390 and associated planting	Works associated with the realignment of the existing A390 and associated planting

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
1	1/10f	3k	Required for the realignment of unnamed road C0005	Works associated with a length of new highway to unnamed road C0005
1	1/10g	3k / 52	Required for the realignment of unnamed road C0005 Required for the diversion of telecoms equipment	Works associated with a length of new highway to unnamed road C0005
1	1/10j	3k / 52	Required for the realignment of unnamed road C0005 Required for the diversion of telecoms equipment	Works associated with a length of new highway to unnamed road C0005
1	1/11	3i / 49	Required for the realignment of the A390 Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A390
1	1/12	3i / 49	Required for the realignment of the A390 Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A390
1	1/13	3i / 49	Required for the realignment of the A390 Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A390
1	1/14	3i / 49	Required for the realignment of the A390 Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A390

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
1	1/16	1 / 3f / 3g / 3 / 3a / 3b / 3c / 3d / 1b / 3m / 3o / 3e	<p>Required for the new A30</p> <p>Required for the realignment of the B3277</p> <p>Required for the partial closure and realignment of the A3075 north of the new A30</p> <p>Required for the construction of a new grade separated junction at Chiverton</p> <p>Required for the construction of a new eastbound off-slip from the main carriageway of the new A30</p> <p>Required for the construction of a new eastbound on-slip to the main carriageway of the new A30</p> <p>Required for the construction of a new westbound off-slip from the main carriageway of the new A30</p> <p>Required for the construction of a new westbound on-slip to the main carriageway of the new A30</p> <p>Required for the construction of drainage attenuation pond no. 2 with associated drainage facilities, access and landscaping</p> <p>Required for the construction of drainage attenuation pond no. 3 with associated drainage facilities, access and landscaping</p> <p>Required for the construction of a walking, cycling and horse riding link to the north and south of the junction circulatory carriageway of the new A30</p> <p>Required for the construction of two new overbridges over the junction circulatory carriageway</p>	Works associated with the construction of the new A30 and associated side roads and planting
1	1/16a		Required for the stopping up of the existing A3075	
1	1/17		Required for the stopping up of the existing A3075	
1	1/17a		Required for the stopping up of the existing A3075	
1	1/17b		Required for the stopping up of the existing A3075	
1	1/17c		Required for the stopping up of the existing A3075	
2	2/2	3j	Required for unclassified road U6072	Works associated with a length of new highway to unnamed road U6072

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
2	2/3	1 / 3g / 3j	Required for the new A30 Required for the partial closure and realignment of the A3075 north of the new A30 Required for the realignment of the unclassified road U6072 Required for landscaping Required for the stopping up of the existing A3075	Works associated with the construction of the new A30 and A3075 realignment and associated planting
2	2/3a	1 / 3g	Required for the new A30 Required for the partial closure and realignment of the A3075 north of the new A30 Required for landscaping Required for the stopping up of the existing A3075	Works associated with the construction of the new A30 and realignment of A3075 and associated planting
2	2/3d	1 / 3g / 3j	Required for the new A30 Required for the partial closure and realignment of the A3075 north of the new A30. Required for the realignment of the unclassified road U6072. Required for landscaping.	Works associated with the construction of the new A30 and A3075 realignment and associated planting
2	2/3h		Plot not used	
2	2/3j	1 / 1c / 3g	Required for the new A30 Required for the construction of drainage attenuation pond no. 4 with associated drainage facilities, access and landscaping Required for the partial closure and realignment of the A3075 north of the new A30	Works associated with the construction of the new A30 and construction and maintenance of attenuation pond 4 Works associated with the realignment of the existing A3075
2	2/3k	1 / 1c	Required for the new A30 Required for the construction of drainage attenuation pond no. 4 with associated drainage facilities, access and landscaping	Works associated with the construction of the new A30 and new drainage attenuation pond 4
2	2/3m	3g / 13	Required for the partial closure and re-alignment of the A3075 north of the new A30 Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A3075
2	2/3q	3g / 13	Required for the partial closure and realignment of the A3075 north of the new A30 Required for the diversion of telecoms equipment	Works associated with the realignment of the existing A3075
2	2/3s	3g	Required for the partial closure and realignment of the A3075 north of the new A30	Works associated with the realignment of the existing A3075

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
2	2/3v	1	Required for the new A30	Works associated with the construction of the new A30
2	2/3x	3g	Required for the partial closure and realignment of the A3075 north of the new A30	Works associated with the realignment of the existing A3075
2	2/4		Required for the stopping up of the existing A3075	
2	2/5a		Required for the stopping up of the existing A3075	
2	2/7e	1 / 18	Required for the new A30 Required for landscaping Required for the diversion of telecoms equipment	Works associated with the construction of the new A30 and associated planting

3	3/1f	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/1g	1	Required for the new A30 Required for landscaping	Works associated with the construction of the new A30 and associated planting
3	3/1h	1 / 2a	Required for the new A30 Required for the realignment of the existing A30	Works associated with the construction of the new A30 and realigned A30.
3	3/1j	1 / 4g	Required for the new A30 Required for the realignment of the B3284	Works associated with the construction of the new A30 and realignment of the existing B3284 and associated planting
3	3/1k	1	Required for the new A30 Required for landscaping	Works associated with the construction of the new A30 and associated planting
3	3/1m	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/1n	1	Required for the new A30	Works associated with the construction of the new A30
3	3/1p	1	Required for the new A30	Works associated with the construction of the new A30
3	3/1r	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
3	3/1s	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/1u	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/1v	2a / 1bb	Required for the realignment of the existing A30. Required the construction of drainage culverts	Works associated with the realignment of the existing A30
3	3/1w	1	Required for the new A30	Works associated with the construction of the new A30
3	3/1x	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/1y	1	Required for the new A30	Works associated with the construction of the new A30
3	3/1z	1 / 4e	Required for the new A30 Required for the the construction of a new westbound on-slip to the main carriageway of the new A30 Required for landscaping	Works associated with the construction of the new A30 and westbound on-slip and associated planting
3	3/1aa	1	Required for the new A30	Works associated with the construction of the new A30
3	3/1ab	1	Required for the new A30	Works associated with the construction of the new A30
3	3/1ac	1	Required for the new A30	Works associated with the construction of the new A30

3	3/4c		Plot not used	
3	3/4d	2a / 1bb	<p>Required for new highway to unnamed road.</p> <p>Required the construction of drainage culvert</p>	Works associated with the construction of new highway to unnamed road.
3	3/4f	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
3	3/5c	1 / 4g / 4d / 1bb	Required for the new A30 Required for the realignment of the B3284 Required for the construction of a new eastbound off-slip from the main carriageway of the new A30 Required the construction of drainage culverts Required for landscaping	Works associated with the construction of the new A30 realignment of the B3284 and associated landscaping
3	3/6	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/6c	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/6e	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/7	1 / 4d / 4g / 1d / 4k	Required for the new A30. Required for the construction of a new eastbound off-slip from the main carriageway of the new A30. Required for the realignment of the B3284. Required for the construction of drainage attenuation pond no. 6 with associated drainage facilities, access and landscaping Required for the construction of a new private means of access north of the B3284 at Callestick Vean to Creegmeor Farm as described in Schedule 4 Part 4 Private Means of Access to be Stopped Up for Which a Substitute is to be Provided and New Private Means of Access Which are Otherwise to be Provided Required to construct, use, protect, inspect and maintain a new bridleway (PR4) from west to east to connect BR314/64/1 and BR314/65/1 as described in Schedule 4 Part 2 Highways to be Stopped up for Which a Substitute is to be Provided and New Highways Which are Otherwise to be Provided	Works associated with the construction of the new A30 and associated side roads and attenuation pond 6.
3	3/8	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/8a	1	Required for ecological mitigation	An area of planting and ecological mitigation between the new A30 and the realigned A30
3	3/9	2a	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
3	3/9a	4j	Required for the realignment of the existing A30	Works associated with the realignment of the existing A30
3	3/10	1 / 4 / 4f	Required for the new A30 Required for the the construction of a new grade separated dumbbell junction at Chybucca Required for the construction of drainage attenuation pond no. 7 with associated drainage facilities, access and landscaping.	Works associated with the construction of the new A30 and grade separated junction at Chybucca
3	3/10a	4j / 4	Required for the re-alignment of the existing A30 Required for construction of a new grade separated dumbbell junction at Chybucca	Works associated with the construction of the new roundabout south of the main carriageway of the new A30 and the realignment of the existing A30
4	4/1	4i / 4a	Required for the realignment of the existing A30 Required for a new roundabout north of the main carriageway of the new A30	Works associated with the construction of the new grade separated dumbbell junction at Chybucca
4	4/1b	6c	Required for the conversion of the Allet Road to an emergency access track	Works associated with the construction of a new emergency access onto the eastbound carriageway of the new A30
4	4/1g	6b	Required for the realignment of the Allet Road	Works associated with the construction of the junction between the realigned Allet Road and the existing A30
4	4/1h	6b	Required for the realignment of the Allet Road	Works associated with the construction of the junction between the realigned Allet Road and the existing A30
4	4/1j	6b	Required for the realignment of the Allet Road	Works associated with the construction of the junction between the realigned Allet Road and the existing A30
4	4/2a	4a / 4g / 4d	Required for a new roundabout north of the main carriageway of the new A30 Required for the realignment of the B3284 Required for the construction of a new eastbound off-slip from the main carriageway of the new A30	Works associated with the construction of the new grade separated dumbbell junction at Chybucca
4	4/3	4b	Required for the construction of new roundabout south of the main carriageway of the new A30	Works associated with the construction of the new grade separated dumbbell junction at Chybucca
4	4/3d	4h	Required for the realignment of the B3284	Works associated with the realignment of the existing B3284
4	4/3e	4h	Required for the realignment of the B3284	Works associated with the realignment of the existing B3284

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
4	4/4a	1 / 4 / 4i / 4h	Required for the new A30 Required for the construction of a new grade separated dumbbell junction at Chybucca Required for the realignment of the existing A30 Required for the realignment of the B3284	Works associated with the construction of the new A30 and grade separated dumbbell junction at Chybucca
4	4/4b	4h	Required for the realignment of the B3284	Works associated with the realignment of the existing B3284
4	4/4h	1	Required for the new A30	Works associated with the new A30
4	4/4m	1	Required for the new A30	Works associated with the construction of the new A30
4	4/4t	1	Required for the new A30. Required for the stopping up of northern section of existing Bridleway BR309/3/1 north of the proposed A30 mainline	Works associated with the construction of the new A30 and stopping up of existing bridleway.
4	4/5	4i / 4a	Required for the realignment of the existing A30 Required for the new roundabout north of the main carriageway of the new A30	Works associated with the construction of the new grade separated dumbbell junction at Chybucca
4	4/6	4i	Required for the realignment of the existing A30	Works associated with the construction of the new grade separated dumbbell junction at Chybucca and realignment of the existing A30
4	4/6d	6c	Required for the conversion of the Allet Road to an emergency access track	Works associated with the construction of a new emergency access onto the eastbound carriageway of the new A30
4	4/6f	6c	Required for the conversion of the Allet Road to an emergency access track	Works associated with the construction of a new emergency access onto the eastbound carriageway of the new A30
4	4/6g	6c	Required for the conversion of the Allet Road to an emergency access track	Works associated with the construction of a new emergency access onto the eastbound carriageway of the new A30
4	4/6h	6c	Required for the conversion of the Allet Road to an emergency access track	Works associated with the construction of a new emergency access onto the eastbound carriageway of the new A30
4	4/8b	1	Required for the new A30. Required for the stopping up of northern section of existing Bridleway BR309/3/1.	Works associated with the construction of the new A30
4	4/8g	1	Required for the new A30	Works associated with the construction of the new A30

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
4	4/8m	6c	Required for the conversion of the Allet Road to an emergency access track	Works associated with the construction of a new emergency access onto the eastbound carriageway of the new A30
4	4/9c	1 / 1o	Required for the new A30. Required for the demolition of the buildings at Hill View Farm	Works associated with the construction of the new A30
4	4/10a	6c	Required for the conversion of the Allet Road to an emergency access track	Works associated with the construction of a new emergency access onto the westbound carriageway of the new A30
4	4/10b	6b / 1	Required for the realignment of the Allet Road Required for the new A30 Required for landscaping	Works associated with the construction of the junction between the realigned Allet Road and the existing A30
4	4/10d	1 / 1bb / 24 / 62 / 1v	Required for the new A30 Required for the construction of a drainage culvert Required for landscaping Required for the diversion of power cables Required for the diversion of telecoms equipment Required for the construction of a private layby for maintenance on the eastbound carriageway of the new A30	Works associated with the construction of the new A30 and associated planting
4	4/10e	1e	Required for the construction of drainage attenuation pond no. 9 with associated drainage facilities, access and landscaping	Works associated with the construction of new drainage attenuation pond 9 and associated planting

9	9/1r	1k	Required for the construction of drainage attenuation pond no. 19 with associated drainage facilities, access and landscaping	Works associated with the construction of new drainage attenuation pond 19 and associated planting
9	9/1u	1 / 5e	Required for the new A30. Required for the construction of a new westbound off-slip from the main carriageway of the new A30	Works associated with the construction of the new A30 and associated landscaping
9	9/1v	5l	Required for the construction of a track for walking, cycling and horse riding connecting the southern roundabout at Carland Cross with the underbridge at Work No. 1(t) and a track for walking, cycling and horse riding from Carland Cross to Mitchell	Works associated with the provision of a track for walking, cycling and horse riding from Carland Cross to Mitchell and associated planting
9	9/1x	5l	Required for the construction of a track for walking, cycling and horse riding connecting the southern roundabout at Carland Cross with the underbridge at Work No. 1(t) and a track for walking, cycling and horse riding from Carland Cross to Mitchell	Works associated with the provision of a track for walking, cycling and horse riding from Carland Cross to Mitchell and associated planting
9	9/1z	5l	Required for the construction of a track for walking, cycling and horse riding connecting the southern roundabout at Carland Cross with the underbridge at Work No. 1(t) and a track for walking, cycling and horse riding from Carland Cross to Mitchell	Works associated with the provision of a track for walking, cycling and horse riding from Carland Cross to Mitchell and associated planting
9	9/1aa	1 / 5e	Required for the new A30 Required for the construction of a new westbound off-slip from the main carriageway of the new A30	Works associated with the construction of the new A30 and westbound off-slip
9	9/1ab	1 / 5e	Required for the new A30 Required for the construction of a new westbound off-slip from the main carriageway of the new A30	Works associated with the construction of the new A30 and westbound off-slip
9	9/2	1	Required for the new A30	Works associated with the construction of the new A30
9	9/2b	1 / 5f	Required for the new A30 Required for the realignment of the existing A30	Works associated with the construction of the new A30 and re-alignment of the existing A30
9	9/3a	1	Required for the new A30	Works associated with the construction of the new A30

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
9	9/4b	1 / 1t / 5f / 5i / 5d	Required for the new A30 Required for the construction of a walking, cycling, horse riding, multispecies underbridge under the main carriageway of the new A30 at Newlyn Downs. Required for the realignment of the existing A30 Required for the construction of a new eastbound off-slip from the main carriageway of the new A30 Required for the construction of a new westbound on-slip to the main carriageway of the new A30	Works associated with the construction of the new A30 and associated side roads.
9	9/4c	5g / 5f / 5k	Required for the reconfiguration of the existing access to the Carland Cross Windfarm and the construction of new access tracks Required for the realignment of the existing A30 Required for the construction of drainage attenuation pond no. 17 with associated drainage facilities, access and landscaping	Required for the reconfiguration of the existing access to the Carland Cross Windfarm and the construction of new access tracks and construction of new attenuation pond 17
9	9/4d	1 / 5a / 5g / 5i / 5c	Required for new A30 Required for a new roundabout north of the main carriageway of the new A30. Required for the reconfiguration of the existing access to the Carland Cross Windfarm and the construction of new access tracks Required for the construction of a new eastbound off-slip from the main carriageway of the new A30 Required for two new overbridges over the junction connector road carriageway of the new A30	Works associated with the construction of the new A30 and grade separated junction at Carland Cross
9	9/4e	1 / 5h / 5i / 1j / 5c	Required for the new A30 Required for the construction of a new eastbound on-slip to the main carriageway of the new A30 Required for the construction of a new eastbound off-slip from the main carriageway of the new A30 Required for the construction of drainage attenuation pond no. 18 with associated drainage facilities, access and landscaping Required for two new overbridges over the junction connector road carriageway of the new A30	Works associated with the construction of the new A30 and grade separated junction at Carland Cross
9	9/4f	1	Required for the new A30	Works associated with the construction of the new A30

Statement of Reasons - Table 1: Acquisition of Land - by Plot Number

Land Plans Sheet Number	Plot Number	Work Number	Purpose for which the land is required	Details
9	9/4h	1	Required for Replacement of Special Category Land – Open Space – Countryside Rights of Way Act 2000 (CRoW)	
9	9/5	5b	Required for the re-configuration of the existing Carland Cross roundabout south of the main carriageway of the new A30	Works associated with the re-configuration of the existing Carland Cross roundabout south of the main carriageway of the new A30
9	9/5b	1 / 5h	Required for new A30 Required for the construction of a new eastbound on-slip to the main carriageway of the new A30	Works associated with the construction of the new A30 and grade separated junction at Carland Cross
9	9/6b	1k	Required for drainage attenuation/treatment pond 19 connection to exiting drainage system	Works associated with the construction of new drainage attenuation pond 19 outfall into existing drainage system
9	9/6c	1k	Required for the construction of drainage attenuation pond no. 19 with associated drainage facilities, access and landscaping	Works associated with the construction of new drainage attenuation pond 19 outfall into existing drainage system
9	9/6d	1k	Required for the construction of drainage attenuation pond no. 19 with associated drainage facilities, access and landscaping	Works associated with the construction of new drainage attenuation pond 19 and associated planting
10	10/1a	1	Required for the new A30	Works associated with the construction of the new A30
10	10/1b	1	Required for the new A30	Works associated with the construction of the new A30
10	10/1c	1 / 5e / 5l	Required for new A30 Required for the construction of a new westbound off-slip from the main carriageway of the new A30 Required for the construction of a track for walking, cycling and horse riding connecting the southern roundabout at Carland Cross with the underbridge at Work No. 1(t) and a track for walking, cycling and horse riding from Carland Cross to Mitchell	Works associated with the construction of the new A30 and associated side roads
10	10/1d	1	Required for the new A30	Works associated with the construction of the new A30
