To the Case Team,

I write now to inform you of my intention to attend the above meeting, 6th FEB 2019, at Alverton Manor Hotel. I would also like to speak to enquire & ensure that the procedures will schedule time for me to speak directly to the Examining Authority, Heidi Cruickshank, when I, as I intend to do, take an active role in the examination process.

At the appropriate agenda point I intend to inform the ExA of my very strong objections to the route selection in the Marazanvose & Nacarrow area. As it stands it is extremely detrimental to the hamlet community, farm and connected business and has required huge mitigation works to be planned which would still be in adequate. The detrimental effects would be turned into beneficial effects if the road was planned to go to the north instead of to the south of the existing road and main part of the hamlet.

Please acknowledge receipt of this email. Thank you.

Yours sincerely,  
Peter G Mewton
