Subject: Notice of intention to attend and speak

To whom it may concern

We would like to give to notice of our intention to attend to the Preliminary meeting on 6th February.

We will be attending with our agent Tim Walmsley from Stephens and Scown and together would like to speak in relation to the following agenda items

- Deadlines for Statements of common ground. No contact has yet been made by HA so we have concerns whether the stated deadline can be met.
- Request an issue specific hearing for Nancarrow Farm and Marazanvose. The issues affecting residents in this section of the scheme are multiple and complex and fall into several of the 'Principle Issues' outlined in Annex B. In the interest of time and clarity we feel it would be more beneficial to address all impacts at one hearing (rather than individual impacts at multiple hearings)
- We would also like to request that a site visit at Nancarrow Farm and Marazanvose be included in the examination.

We also intend to attend the afternoon meeting – ISH1. As a significant interested party we may wish to speak on matters arising in relation to protective provisions to reduce business impacts.

Kind regards

Steve and Lucy Chamberlain
