Subject: Written Representation

Dear Chiverton to Carland Cross Project Team

Please find attached our written representation. As discussed yesterday, we have been informed HE have submitted a 30 page response to our relevant representation and we welcome the opportunity to respond during the examination process.

As stated in the preliminary meeting, we would like to confirm the following;

Request For An Issue Specific Hearing

In light of the multiple and complex nature of the case at Nancarrow Farm we would like to request an Issue Specific Hearing to avoid attending multiple hearings throughout the examination.

Notification to Attend Compulsory Acquisition Hearing

Should this not be possible we would like to attend the Compulsory Acquisition Hearing.

Request For Accompanied Site Visit to Nancarrow

We would also like to request an accompanied site visit to Nancarrow Farm so that the examiner can gain a greater understanding of the impacts of the road scheme and the relationship between the landscape and both the events and farm businesses, their associated buildings, and how all elements are inextricably linked. We would like to request to attend the site visit.

Kind regards

Steve and Lucy Chamberlain
