Subject: Truro Cycling Campaign (Ref 20016138) Response to Ex A's Written Questions
Date: 18 March 2019 08:58:54

Dear Inspectorate

I realise that I overlooked the earlier deadline 1 for submission of a response to question no. 1.0.3. I can confirm agreement to submit a SoCG. I also represent Transition Truro and it has been agreed by Transition Truro that the SoCG will be between the Applicant and Truro Cycling Campaign only.

Truro Cycling Campaign received a draft SoCG from Highways England on 14th March and is currently working with them on but this.

Best wishes

Sarah Wetherill
