Dear Sir/ Madam,

**Application by Highways England for an Order Granting Development Consent for the A30 Chiverton to Carland Cross Scheme**

**PINS Reference: TR010026**

**HBMCE Reference: 30CC-SP005**

As referred to in our Written Representations, the Historic Buildings and Monuments Commission for England is generally known as Historic England. However, due to the potential for confusion in relation to "HE" (Highways England and Historic England), we have used "HBMCE" in our formal submissions to the examination to avoid confusion.

In relation to the submissions for Deadline 2 (19 March) HBMCE offer the following update on the draft Statement of Common Ground to assist the Examining Authority.

We are continuing in discussions with Highways England on various issues and more information is to be provided by Highways England to address these. We have been informed by Highways England that they do not intend to submit a revised draft Statement of Common Ground at this deadline. Rather, they intend to submit a draft Statement of Common Ground at Deadline 3 (24 April).

We have a meeting with Highways England on 25 March in order to further consider the draft Statement of Common Ground. We would hope that following the meeting and the provision of additional information we identified in our Written Representations as being needed from Highways England we will be able to progress matters in the Statement of Common Ground.

Yours faithfully

Nick Russell
