Please note that the Examining Authority's (ExA) inspection of sites is not an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

Clothing

It will be necessary for all parties to wear appropriate sturdy footwear and weather-proof clothing. All parties are advised to bring and wear high visibility jackets, if they have them, when walking on the public highway.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection, and may ask those refused access to wait outside.

Cancellations

Please note that in the unlikely event that the accompanied site inspections are cancelled due to unforeseen circumstances we shall endeavour to contact attendees beforehand but we would ask that you regularly check the Planning Inspectorate's website which can be viewed here:
