### **Participation, conduct and management of hearing**

All IPs are invited to attend the hearing. Each IP is entitled to make oral representations at the hearing, subject to the ExA's power to control the hearing.

The ExA invites the following attendees to participate in ISH4:

- Highways England (the Applicant)
- Cornwall Council (CC)
- Cornwall Countryside Access Forum (CCAF)
- National Farmers Union (NFU)
- Sam Parker and/or Christopher Tofts, Stephens Scown LLP
- Tom Probst
- Kevin Williams
- Any other IPs with an interest in these matters.

Participants may be legally represented if they wish, but the hearing will be conducted to ensure that legal representation is not required. The Applicant and IPs may consider attending with the following expert advisers, but IPs may participate without expert advice:

- Engineers and project managers, responsible for project design and delivery;
- Lawyers engaged in statutory drafting, planning and environmental law; and
- Town Planners or Surveyors engaged in the negotiation of requirements and agreements relating to the use and development of land.

Guidance under the Planning Act 2008 (PA 2008)<sup>1</sup> and the Infrastructure Planning (Examination Procedure) Rules 2010 provide that it is the ExA that will probe, test and assess the evidence through direct questioning of persons making oral representations at hearings. Questioning at the hearing will be led by the ExA.

Cross-questioning of the person giving evidence by another person will only be permitted if the ExA decides it is necessary to ensure representations are adequately tested or that a person has had a fair chance to put their case.

The hearing will run until all IPs have made their representations and responded to the ExA's exploration of the matters in accordance with the agenda set.

Please note that the following agenda is indicative and may be amended by the ExA. Furthermore, the ExA may wish to raise other matters arising from submissions and pursue lines of enquiry during the discussion which are not on the agenda.

The ExA will be referring to the revised version of the draft Development Consent Order (dDCO) accepted into the Examination at Deadline 3 [REP3-007 and associated documents].
