1 Introduction

1.1 Purpose of this document

- 1.1.1 This document provides a guide to Highways England's A30 Chiverton to Carland Cross Development Consent Order application. The original application was submitted to the Planning Inspectorate on 30 August 2018 and accepted for examination by the Examining Authority on 27 September 2018.
- 1.1.2 Since submission a number of the original application documents will continue to be revised and new documents produced. This guide provides a list of the latest documents submitted at deadline 3.
- 1.1.3 This is a live document and will be updated throughout the examination period and submitted for each deadline.

1.2 Master Document List

- 1.2.1 The Master Document List (Table 1-2) provides a full list of all documents submitted to date, indicating the latest version of the document which has been submitted as part of the application or has been submitted to the Examination. Superseded versions are listed above this.
- 1.2.2 For ease of navigation the documents are grouped by volumes as listed within Table 1-1.

Table 1-1 DCO Application Volumes

Volume	Overview
1. Application Information	Details of the specific application information required by the Planning Inspectorate.
2. Plans, Drawings and Designations	Contains the plans which show where we propose to undertake the work.
3. Draft Development Consent Order	Outlines the legal powers we are seeking to build the project.
4. Compulsory Acquisition Information	Provides evidence of why we require legal powers of compulsory acquisition.
5. Consultation Report	Provides details of the pre-application consultation that has been undertaken for the project.
6. Environmental Information	Details how the potential impact on the environment has been assessed.
7. Other Reports	Includes additional reports produced for the application submission.
8. Examination Submissions	New documents submitted to the Planning Inspectorate.
