Overview of changes made to plans

Please see **Appendix A** of this letter which provides an overview of the changes made to the relevant plans.

Updated Book of reference

An updated **Book of Reference** (Document Reference 4.3(B)) has been submitted. There are two versions of this document: one with track changes and one with no track changes. A number of changes have occurred since submission to land interests associated with the land proposed to be acquired. Where there has been a change in ownership or new interest added Highways England has made the relevant persons aware that they can make a request to the Examining Authority to become an interested party under section 102A of The Planning Act 2008. Appendix A to this letter also details the key changes to the landowners and plots.

If you have any queries, please do contact me at your earliest convenience.

Yours faithfully,
