Dear Sir/Madam,

**Planning Inspectorate Reference TR010026**

**Western Power Distribution (South West) PLC  
Application by Highways England for an Order granting Development Consent for the A30  
Chiverton to Carland Cross Scheme**

We act for Western Power Distribution (South West) PLC ('**WPD**') in relation to the application by Highways England for an Order granting Development Consent for the A30 Chiverton to Carland Cross Scheme ('**the Scheme**'). WPD submitted a holding objection to the Scheme on 9 November 2018.

You wrote to us on 28 November 2019 stating that the Secretary of State invites an update on the status of the proposed legal agreement between Highways England and WPD.

We can now confirm that an agreement between WPD and Highways England Company Limited was completed on 26 November 2019.

WPD therefore withdraws its objection to the Scheme and please accept this letter as confirmation of that withdrawal. A copy of this letter is also being sent to the Secretary of State for Transport.

Yours sincerely
