Dear Dee

Section 55 – Planning Act 2008 as amended

Application for Development Consent by Highways England – M42 Junction 6

I refer to your letter of 2 January

As the report from Highways England describes, the works proposed that are located in the Borough are certainly not substantive. Nevertheless the Council and its constituent communities have been consulted on the full extent of the proposal. As a consequence of the full description provided by Highways England of the consultation process, the Borough Council confirms that from its perspective, the developer has complied with the appropriate duties under the Planning Act 2008 as amended.

Yours faithfully

Jeff Brown
Head of Development Control
