Dear Chris Harris

M42 Junction 6 Improvement

Your reference: TR010027; Our reference: PL00204162

Thank you for your recent consultation following the Planning Inspectorate's acceptance of your application for a DCO (on behalf of the Secretary of State).

You sent us a comprehensive package including the accepted application and a copy of the Environmental Statement.

We have assessed the documentation submitted and have concluded that we do not wish to make any representations on the scheme at this stage to the Planning Inspectorate. There are no issues in this application upon which there are sufficient concerns to necessitate substantive representations to the Planning Inspectorate on behalf of Historic England.

If we can be of any further assistance please do not hesitate to contact us.

Yours sincerely
