Dear Sir / Madam,
In response to your letter dated 23 April 2019, I wish to attend the meeting.

I am severely affected by the proposed reconfiguration of the WGAA site and would welcome the opportunity to speak but unfortunately I do not see this issue listed amongst your principal issues?

The points I wish to make have already been submitted through the representations process on 8th March 2019 and 28th March 2019 .

Kind regards,
Philip O'Reilly
