Dear Sir

**Planning Act 2008 – Section 88 and The Infrastructure Planning (Examination Procedure) Rules 2010**  
**Application by Highways England for an Order Granting Development Consent for the M42 Junction 6 Improvement**  
**Deadline 2 : Extra’s Response to the DCO Panel’s Questions**

We are pleased to attach representations made in response to the DCO Panel’s questions for Deadline 2 on behalf of the Extra MSA Group (Extra).

We understand Highways England will submit a fulsome response to these questions, and Extra will wish to make further comments following the publication of Highways England’s response.

Extra’s response therefore relating particularly to the traffic issues of the MSA and the DCO scheme operating together, should be regarded as an interim position. Extra is hopeful that following the publication of Highways England’s responses, which Extra understand will contain further technical support for the comments that it has already made on the issues being explored, Extra’s subsequent comments will then mainly be complimentary and supportive of Highways England’s position.

Furthermore, Extra will wish to confirm its request to attend the Site Visit for the proposed DCO scheme insofar as it relates to the formation of the proposed M42 J5a and Extra’s proposals for a MSA.

Yours sincerely
