Attachments: [Material Stockpile Point.pdf](#)

Hi Bart,

As part of deadline 3, please can I raise 2 questions on behalf of the Parish Council:

We understand that as part of the SOCG with BIA that a material stockpile (plot 51a) may be planned to the north of Bracey's Nursery on the Peters Lane in Bickenhill. This location is close to the centre of the village and adjacent to several properties. Please can HE confirm whether or not this is the case and provide details of it, and any communication that has been sent to impacted local residents so that we may consider this further.

In the spirit of openness and transparency I would also like to take this opportunity to ask HE to confirm whether any other pieces of land in or near the village, other than the proposed main compound and this materials stockpile are intended to be used for works or related activity.

Many thanks,
Jon Horton

Dave,
Just going through the SOCG with BIA document and it says that the attached plot is to be used as a material stockpile point.
Kind regards,
Philip
