Dear Sirs

### **M42 Junction 6 Improvement Development Consent Order**

We act for National Grid Electricity Transmission Plc who have made a relevant representation to the above Order. Negotiations between National Grid Electricity Transmission Plc and the promoter are continuing and accordingly at this stage we do not think that it is necessary for our client to attend the Compulsory Acquisition hearing on the 20<sup>th</sup> August or the Issue Specific Hearing on the drafting of the DCO on the 21<sup>st</sup> August. We are therefor just writing to confirm in advance non-attendance at these hearings.

We will update ExA in respect of negotiations between National Grid Electricity Transmission Plc and the promoter in due course and hopefully once agreement has been reached.

Yours sincerely

*pp* Abigail Walters
