Deadline 4 Submission - Open Floor Hearing (22.08.2019) - Statement & Questions

Kind regards,

Deadline 4 Submission

Open Floor Hearing (22nd August 2019)

OPEN FLOOR HEARING – 22nd August 2019

I sincerely hope the Inspectorate have noted that despite the fact the examination of this application started 15 weeks ago I still do not have any drawings or information to confirm the impact this scheme will have on my property.

Although further hearings are scheduled for the beginning of October, I will not see any drawings regarding the impact on my property until after Deadline 6 on 11th October 2019, with hearings then scheduled for the 22nd to 24th October 2019. Given the fact the DCO application was published on 1st February 2019, and could therefore be scrutinised for 15+ weeks before the Application Examination commenced on 21st May 2019, there simply will not be sufficient time to properly scrutinise the Deadline 6 submission given it is only 11 – 13 days before the final hearings.

1. Does the Inspectorate think that is acceptable given the lack of information that has been provided thus far with regard to not only my property, but also to the residents of Bickenhill, and is there anything that can be done?
2. As HE and the WGAA failed to produce any drawings for discussion at our meeting on 16th July 2019 can the inspectorate please confirm the intended purpose of that meeting, given the fact it was arranged at their request?

Four Winds

I received a copy of Highways England (HE) drawing 'M42 Junction 6 Coloured Scheme Plan (HE551485-ACM-HGN-M42_SW_ZZ_ZZ-DR-CH-0014)' on 3rd September 2018 which showed a new access lane running along the eastern boundary to my property and alterations to the front and rear entrances to my property. Subsequent plans show more of this land could be taken for an access road to the WGAA, an attenuation tank or further environmental mitigation. I now know that this land falls under the Ad Medium Filum rule and reverts to my ownership when the existing Catherine de Barnes Lane is stopped up. You will note from my submissions that on numerous occasions during the consultation period I have asked HE to meet the cost for professional advice and I have repeatedly been told by Jonathan Pizzezy that as I am 'just an objector' and none of my land is subject to a CPO I am not entitled to professional advice. At the CPO meeting on 20th August 2019 Nick Evans, of BDB Pitmans for the Applicant, informed me that the land which reverts to my ownership under the Ad Medium Filum rule would then be subject to compulsory purchase for the provision of environmental mitigation. This was the first time I was made aware of the fact that part of my land would be subject to a CPO. It contradicts the information I was given by Jonathan Pizzezy who maintained throughout the consultation period that none of my land would be subject to a CPO despite him knowing for some time before 3rd September 2018 that this was not true as various HE proposals required this land.

3. Is it therefore fair to say the information I was given by Jonathan Pizzezy either smacks of being deliberately misled or, given the number of people who have voiced their complaints and concerns about the information he has provided, is it solely down to incompetence?
4. Can HE confirm how the purchase of my land will be negotiated to ensure that the land is valued correctly and the new boundary to my property is positioned accurately?
5. Can HE confirm that they will now meet the cost for professional advice to be provided so that I can be properly represented in negotiations?

WGAA

It was noted that the WGAA made a very brief contribution to the CPO meeting and I can only conclude they are continuing to have discussions with Peter Mumford, Executive Director of Major Projects & Capital Portfolio Management at Highways England, and are therefore reaching an agreement that is not subject to any proper scrutiny so that it doesn't hinder the wider scheme.

The WGAA contribution at the CPO hearing consisted of their objections to the HE scheme 'Figure 8.21' (Appendix A) submitted with the DCO for the reconfiguration of their site. Their objections were as follows:

- a. The corner of pitch 2 would be over the Esso pipeline and subject to an easement
- b. The proximity of the reconfigured pitches to the dual carriageway would mean a hurling ball could land on the dual carriageway and cause an accident
- c. The clubhouse was too far away from the 4G pitch
- d. Pitch 2 and pitch 3 have been drawn too close together
- e. It would take 2 years to create a grass pitch and have it ready to be playable and therefore HE would need to provide a 4G (all-weather surface) pitch

The WGAA then confirmed it was essential that pitch 2 is moved slightly further west of the position shown on HE drawing 'Figure 8.21' in order to remedy their first objection. However, this would mean building over more of the pipeline thereby contradicting their objection to the HE scheme.

The WGAA confirmed there had never been any occurrence of a hurling ball landing on Catherine de Barnes Lane at any time in the 40+ years they have been at their current location. There are currently two pitches adjacent to Catherine de Barnes Lane: one is 15m from the road and the other is 22m from the road (see Appendix B). The nearest point of the proposed dual carriageway will be over 53m from the edge of the proposed pitches shown on HE drawing 'Figure 8.21', again contradicting their objection to the HE scheme.

The WGAA do not currently have a 4G pitch and would have to get planning approval in order to build one. The distance from the existing clubhouse is therefore irrelevant and the objection can be ignored.

The existing WGAA pitches are 13m apart, whereas the pitches shown on HE drawing 'Figure 8.21' are drawn 15m apart, again contradicting their objection to the HE scheme.

The WGAA stated at the CPO hearing that HE would have to provide them with a 4G pitch as a grass pitch would not be up and running within 2 years. HE said at the hearing that they were confident they could have a grass pitch playable within 1 year. I contacted Richard Hayden at Hayden Turfcare (<http://www.haydenturfcare.com/>) as they are specialists in the design and installation of sports pitches and have done numerous projects for the GAA in Ireland. He confirmed that a new grass pitch would be playable in 20 weeks but, as the works were weather dependant, 6 months should be allowed as a worst-case scenario.

6. In their submissions and in their contribution at the hearing the WGAA have failed to provide any sustainable legal arguments against the HE proposal for their site. Can HE therefore confirm why HE are even entertaining the idea of providing a clubhouse, car parking, hurling wall and all-weather pitch at tax payers expense rather than sticking with their submitted scheme which provides more than equal compensation for the land take and disturbance caused to the WGAA?

When I met with the WGAA on 16th July 2019 they said they would be happy to share their proposals but as they had not been accepted by HE there was no point and in any event they were waiting on drawings to be provided by HE. HE confirmed at that meeting that they had no proposals to discuss as they hadn't appointed an architect but their contractor Skanska had been instructed to employ an Architect and a drawing would hopefully be circulated within 2 weeks of the meeting. I was then told by Nick Evans at the CPO hearing on 20th August 2019 that no drawings are currently available but the appointment of an architect was imminent.

7. That being the case how is it that the WGAA were able to confirm at the CPO hearing that an agreement had almost been reached and they would shortly be in a position to provide drawings when I am being told there are no drawings to discuss?
8. Can HE provide the deadline they are working to for the provision of plans for the reconfiguration of the WGAA site so that I can understand the impact on my property?
9. Can HE please explain why their representative at consultation meetings is providing false and misleading information?

It is looking highly likely that the WGAA reconfiguration will not be carried out under the DCO but will be subject to a separate planning application. Should that be the case it will mean I will be unable to submit a Part 1 claim for any diminution in the value of my property arising from the reconfigured site as it will not be part of the HE scheme.

10. To ensure I do not suffer any financial loss or hardship due to the consequences of this scheme, can Highways England provide a legal commitment that any proposed reconfiguration of the WGAA in which they are involved, outside of the DCO, will be treated as if it were under the DCO and therefore any Part 1 claim can be submitted to Highways England and any compensation due will therefore be paid by Highways England?

HE have stated that any new WGAA facilities would be subject to a Community Use Agreement. Page 66, clause 5.1 of the GAA Official Guide 2019 part 1 (Appendix C) states that the "Central Council has the power to authorise the use of Association Property which is located outside of Ireland for games other than those controlled by the Association".

11. Does HE have a legally enforceable written agreement from the Central Council of the GAA in Ireland that any new facilities will be available for community use?
12. Regarding a community use agreement, can HE provide some examples of where they have entered into them with a private organisation as my understanding from Sport England is that they tend to be with council or educational facilities only and not with private clubs?
13. As HE are effectively coercing the WGAA into a community use agreement i.e. HE will only pay for new facilities they are not legally obliged to provide if the WGAA sign the agreement and withdraw their objection to the scheme, can HE confirm that the community use agreement with the WGAA will be a legally enforceable contract?

In terms of community use, the Glades Football Centre on Lugtrout Lane has 2 full size and 3 small pitches; Hampton in Arden Sports Club has an all-weather astro-turf surface, 3 outdoor floodlit hard tennis courts, squash/racketball (2 courts), boules piste, a clubhouse with wet/dry changing and bar and is used by local league teams for tennis, squash and hockey; The Elmdon Heath Recreation Ground on Damson Lane has 5 full size and 1 junior pitch; Automated Technology Group on Damson Parkway has 2 full size pitches. These are all within a 2km radius of the WGAA site.

14. How does HE justify the use of a community use agreement when there is no justifiable need and it appears to be nothing more than a way to pay off the WGAA to remove their objection to the scheme, despite their objection having no legal standing?
15. Can HE confirm that any community use agreement will include all facilities on the WGAA site?
16. In the event of noise disturbance occurring under a community use agreement:
 - a. Who will be responsible for that noise disturbance?
 - b. Who is liable for the payment of any fines that arise?
 - c. Who will be ensuring noise levels are not exceeded during weekends, public holidays, etc.?

In 2012 the WGAA submitted an Application Form (Appendix D) to Solihull Metropolitan Borough Council (Application Reference PL/2012/01288) for planning permission to extend the WGAA clubhouse. The WGAA confirmed on the Application Form that the Gross Internal Floorspace of their existing clubhouse is 492m², which corresponds with Ordnance Survey data. Although this application was approved in 2014 (2.5 years after it was submitted) no works were commenced and that permission has now lapsed.

17. With proportionate and equivalent mitigation in mind have HE carried out a survey of the existing clubhouse to determine the existing GIA of the clubhouse before agreeing any proposals for a new replacement clubhouse?
18. As HE have confirmed on numerous occasions previously that only proportionate and equivalent mitigation will be provided to the WGAA can HE clarify why the proposed Gross Internal Floorspace for any replacement clubhouse has been increased from the existing GIA of 492m² to a proposed minimum of 750 - 800m² (and figures above 1000m² were even mentioned during the meeting with HE and the WGAA on 16th July 2019)?

The application form states there are 170 car parking spaces on site. Condition 4 of the attached Decision Notice (Appendix E) states "The development shall not be brought into use until the car parking area has been marked out in accordance with details to be submitted to and approved by the Local Planning Authority". The WGAA would obviously struggle to provide that information as their site currently does not have 170 marked out parking spaces, or the area to provide them, and instead park on grassed areas or an area adjacent to their memorial where they

have laid some stone. As such, no details of their parking spaces were ever submitted to SMBC and indeed no works were commenced. The maximum number of marked out car parking spaces that can actually be achieved on the existing WGAA site is 70, as can clearly be seen on the attached site plan (Appendix F). It can also be seen that only 39 parking spaces are impacted by the HE scheme. However, HE are proposing to build a new car park for the WGAA, adjacent to their existing site, that will provide 170+ car parking spaces.

19. With proportionate and equivalent mitigation in mind have HE checked that there are actually 170 defined car parking spaces on the WGAA site?
20. With proportionate and equivalent mitigation in mind can HE explain why they are proposing to replace the 39 parking spaces on the WGAA site impacted by their scheme with a new car park providing 170+ car parking spaces?
21. How does HE justify the construction of a new car park for the WGAA providing 170+ car parking spaces when there is no justifiable need and it appears to be nothing more than a way to pay off the WGAA to remove their objection to the scheme, despite their objection having no legal standing?

I understand that although the mitigation works included in the DCO Application amount to 2 replacement pitches, replacement car park spaces and a new entrance off Catherine de Barnes Lane the actual works carried out under the DCO will be minimal. Instead a separate planning application will be required for a package of works, deemed as 'legacy works', which will include a new larger clubhouse, a new larger car park, 2 new pitches larger than existing (and also larger than those included in the DCO application) - one of which will have an all-weather surface - a new hurling wall and potentially lighting.

22. Can HE confirm which party (HE or WGAA) will be:
 - a. Submitting the planning application?
 - b. Paying for the drawings, surveys, reports, etc. required for the planning application?
 - c. Paying the fees for the planning application?
23. I understand that the 'legacy works' will require the acquisition of extra land outside the DCO red line boundary. With proportionate and equivalent mitigation in mind, and given the fact sufficient land for the WGAA mitigation was included in the DCO Application, can HE confirm who will be paying for this 'extra' land?
24. With proportionate and equivalent mitigation in mind, can HE explain why the proposed site area for the WGAA will increase from a current site area of approximately 62,000m² to a site area of approximately 73,000m² under the DCO proposals?
25. With proportionate and equivalent mitigation in mind, can HE explain why the proposed site area for the WGAA will increase from a current site area of approximately 62,000m² to a site area of approximately 90,000m²+ under the 'legacy works' proposals?
26. During the meeting with HE and the WGAA on 16th July 2019 Lydia Barnstable (AECOM) stated that the costs for constructing a replacement clubhouse and the package of 'legacy works' will be funded by a different Highways England funding stream to the DCO application. Can HE confirm the name of the funding stream that will be used?
27. During the meeting with HE and the WGAA on 16th July 2019 it was again suggested for HE to purchase my property through a joint arrangement with the WGAA but HE advised this would not be appropriate use of public money. Can HE explain why they consider it appropriate to use public money to pay for the construction of a new larger clubhouse and a larger car park and larger pitches, including one with an all-weather surface, and also purchase extra land outside the DCO red line boundary (as Jonathan Pizze confirmed these proposals will not fit onto the land inside the boundary) and potentially pay for the planning application and all required drawings, surveys, reports, etc. but it is not deemed appropriate to purchase a property that is considerably impacted by this scheme?
28. Until recently the WGAA have maintained it would be unacceptable to have any pitches, or facilities, built over the ESSO pipeline. Can HE confirm whether it is their understanding that this is still the case and as such the 'legacy works' do not propose to build any new pitches or facilities over the ESSO pipeline?
29. Can HE confirm the mitigation they are proposing to my property together with a diagram showing the proposed reconfiguration of the WGAA site, the proposed mitigation to Four Winds (from the WGAA scheme and the road scheme) and the proposed works around Four Winds (including the new boundary)?

THE GAELIC ATHLETIC ASSOCIATION

The Gaelic Athletic Association today is an organisation which reaches into every corner of the land and has its roots in every Irish parish. Throughout the Country, legions of voluntary workers willingly make sacrifices to promote its ideals and carry its daily burdens. Why does the Association receive this unselfish support?

Those who play its games, those who organise its activities and those who control its destinies see in the G.A.A. a means of consolidating our Irish identity. The games to them are more than games - they have a national significance - and the promotion of native pastimes becomes a part of the full national ideal, which envisages the speaking of our own language, music and dances. The primary purpose of the G.A.A. is the organisation of native pastimes and the promotion of athletic fitness as a means to create a disciplined, self-reliant, national-minded manhood. The overall result is the expression of a people's preference for native ways as opposed to imported ones.

Since she has not control over all the national territory, Ireland's claim to nationhood is impaired. It would be still more impaired if she were to lose her language, if she failed to provide a decent livelihood for her people at home, or if she were to forsake her own games and customs in favour of the games and customs of another nation. If pride in the attributes of nationhood dies, something good and distinctive in our race dies with it. Each national quality that is lost makes us so much poorer as a Nation. Today, the native games take on a new significance when it is realised that they have been a part, and still are a part, of the Nation's desire to live her own life, to govern her own affairs.

Hearings

- (u) The Hearings Committee shall preside over any Hearing. The Hearing shall require a quorum of three members of the Hearings Committee, however not more than five members shall preside where the Defending Party is a Juvenile Member (under 16 years of age). Not more than two members of the Competitions Control Committee shall attend the Hearing to present the evidence contained in the Disciplinary Report.
- (v) A member of the Competitions Control Committee or

Hearings Committee, who is a member of any Unit or has a role in relation to any Member, Team or Unit, involved in the proceedings, shall stand down from prosecuting or adjudicating the case.

- (w) No Member of the Association may communicate with any member of the Competitions Control Committee or the Hearings Committee with a view to influencing the outcome of the Hearing. Unauthorised communication in breach of this Rule shall be treated as Misconduct Considered to have Discredited the Association. This Rule shall not, however, prevent any witness giving relevant evidence at a Hearing.
- (x) Save as provided in Rule 6.7, a Club, Committee or Council shall be represented at any Hearing by a maximum of two of its Full Members. A Member shall attend personally and may be accompanied by one Full Member of his Club/Unit. In addition to the foregoing, Youth Members may be accompanied by their parent(s) or guardian(s).
- (y) Where the Defending Party who has requested a Hearing fails to attend it without reasonable explanation, the Proposed Penalty shall be imposed, together with a Fine of €100 in the case of a Club or €300 in the case of a County Committee or Provincial Council.
- (z) The Hearings Committee will decide on all matters of procedure, and may adjourn Hearings and take such steps as are necessary and appropriate to the Hearing.
- (aa) The following Rules of Evidence shall apply:
 - (1) In general, evidence at a Hearing shall be oral, except that:
 - (i) Agreed matters of fact may be stated in writing;
 - (ii) The Hearings Committee shall attach to documentary evidence (including video evidence) such level of reliability as befits it in the circumstances of the Hearing;
 - (iii) Video evidence introduced by any party shall be admissible provided that:

- (a) a copy has been furnished to all other parties within a reasonable period prior to the Hearing, and
- (b) the Hearings Committee is satisfied that the video evidence is reliable and unedited;
- (iv) Age may be proved with a valid Birth Certificate or valid Passport. The obligation to prove age shall be on the person whose age is in dispute, or his Club or other representative Unit;
- (v) Where the Defending Party is in the exclusive or best position to prove or disprove a disputed allegation (e.g. for a Club to prove the identity of one of its members) and does not take the opportunity to give evidence on the matter, the Hearings Committee may draw adverse inference from that failure;
- (vi) A Referee's Report, including any Clarification thereto, shall be presumed to be correct in all factual matters and may only be rebutted where unedited video or other compelling evidence contradicts it;
- (vii) A Referee or other Official shall not be required to give oral evidence or to appear for cross-examination;
- (viii) After the Hearing, the Hearings Committee may, in its sole discretion, seek Clarification in writing of any matters in the Referee's Report. Any written Clarification or comment by the Referee shall have the same status as the Referee's Report itself, but may only be used for the purposes of exoneration of the Defending Party or mitigation of any allegations made against him. Such Clarification may not be challenged in any way or made the subject matter of any further Hearing.

- (2) The Defending Party may call witnesses to give evidence on its behalf, and it is its own responsibility to secure the attendance of such witnesses.
- (3) No evidence shall be given or submissions made in the absence of any party to the Disciplinary Action unless they fail to attend at the Hearing without reasonable explanation. If evidence is so given through inadvertence, it shall be repeated in the presence of all parties, so that no prejudice is caused to the party previously absent.
- (4) A Member deliberately giving false evidence or otherwise misleading a Hearing, whether orally or in writing, on any matter of fact, shall be guilty of Misconduct Considered to have Discredited the Association and:
 - (i) If that Member is the Defending Party and the Hearings Committee makes a finding of his having misled it on foot of the Hearing itself, the applicable penalty under Rule 7.2(e) shall be imposed by the Hearings Committee without a further Hearing, in addition and consecutive to any other penalty imposed on foot of the Hearing; and
 - (ii) In all other such cases, Disciplinary Action arising from such infraction shall be commenced and prosecuted under Rule 7.2(e) by the Competitions Control Committee or Management Committee, as applicable under Rule 7.3(a) (1) and (2).
- (5) Evidence or information shall not be accepted or considered unless applicable to a period not longer than 96 weeks prior to the date of the Hearing.

Exceptions to this provision shall be:

- (i) Copy Extracts of Official Records.
 - (ii) Proof of Age.
- (6) Any 'Proposed Penalty' shall not be disclosed to a Hearings Committee, but if disclosed mistakenly,

such disclosure shall not invalidate the Hearing, and it shall be disregarded by the Hearings Committee.

Decision

- (bb) The Hearings Committee has the final power to determine all matters of fact and all sources of evidence submitted to the Hearing shall be considered. An Infraction shall be treated as proved if, in the opinion of the Hearings Committee, the Infraction alleged is more likely to have occurred than not to have occurred.
- (cc) Where the Infraction alleged is proven to the satisfaction of a Hearings Committee, the Hearings Committee shall be entitled to impose such penalties as it deems fit, subject to Rule, and with due regard, where appropriate, to Rules 7.2(b) and (c) (as these relate to 'Repeat Infraction') and/or 7.5(b), and without being bound in any respect by the terms of the Proposed Penalty.
- (dd) Subject to the Rules of Evidence above, the Hearings Committee may make a finding that the facts proven disclose an infraction but either:
 - (i) One less serious than that alleged in the Notice of Disciplinary Action
 - or
 - (ii) One that differs from that alleged in the Notice of Disciplinary Action but is in the same Category of Infraction.
 and may make a decision accordingly.
- (ee) Where a player who is involved in either:
 - (i) An Inter-County team in a current Championship or National League
 - or
 - (ii) A Club Team in a current Provincial or All-Ireland Club Championship is reported, within his County, as having committed a Category V or VI Misconduct at Games by Players Infractions and that Player,

when notified of the commencement of Disciplinary Action against him, seeks a Hearing, that Hearing shall be conducted by the Provincial Hearings Committee or the Central Hearings Committee, as appropriate, and not the County Hearings Committee or a Divisional/Other Subcommittee Hearings Committee.

Save for this procedural change, such Disciplinary Action cases shall otherwise be conducted in accordance with the procedures set out in this Rule 7.3.

- (ff) A decision shall be made by a majority of the members of the Hearings Committee presiding over the Hearing. The decision and the Rule(s) under which it was taken shall be recorded and shall be notified to the Competitions Control Committee and the Defending Party. In the event of a Penalty being imposed, the Competitions Control Committee shall record the Penalty.
- (gg) No decision made on foot of any Hearing shall affect the validity of any decision of the Referee with regard to the allowance or disallowance of a score or award of any free or the playing time allowed, or the validity of any Suspension served prior to the Hearing.

(See Appendix 2)

7.4 Validity of Team Constitution

- (a) Without prejudice to the general disciplinary jurisdiction of the Council or Committee-in-Charge or the Rules concerning Objections, the Competitions Control Committee of a Council or Committee-in-Charge may of its own volition at any time, or shall on receipt of a request from a Unit involved in a game, not later than three days after the official starting time of the game, investigate in such manner as it deems fit the validity of the constitution of a Team taking part in the Game.
- (b) Where on foot of such investigation, and not an Objection, the constitution of a Team taking part in a

Game is found to be invalid, the Competitions Control Committee shall impose such penalty in respect of the result of the Game as applies (including Forfeiture, where appropriate, but without Award of Game to the Opposing Team). The Competitions Control Committee may also commence such Disciplinary Action as is appropriate in the circumstances.

7.5 Suspensions

Interpretation of Terms

- (a) For the purpose of interpretation of Suspensions and in Rule generally:
- (1) “Level” shall mean the representative level at which the Suspension concerned was incurred e.g. Inter-Provincial, Inter-County, Club, Third-Level, Schools etc. Where a Team of one Level is playing a Game or Competition at another Level, e.g. Third-Level College v. County, a Level-specific Suspension incurred by a Player shall apply at the Level of the Team he was playing with on the occasion of the Infraction.
 - (2) “Code” shall mean either Football or Hurling. Handball or Rounders shall likewise be specific Codes.
 - (3) “Player” shall mean a person whom the Council or Committee-in-Charge considers to have been a member of a Team panel involved in the Game in question.
 - (4) “Term of Suspension” is a time-based, in weeks, penalty.
 - (5) “Match Suspension” is a suspension from playing in a game(s) in a specified competition, including any extra time played.

Gravity

- (b) Where a minimum Suspension is prescribed in relation to an Infraction, the Council or Committee-in-Charge shall have due regard for the gravity of Infraction in each case, and, where appropriate, shall impose additional Match Suspension(s) or a longer Term of Suspension. No Term of Suspension shall exceed

96 weeks. However in exceptionally serious cases the penalties of Debarment from playing or Expulsion may be imposed.

Next Game in Competition

- (c) A walk-over shall not constitute the next game in a competition.

A game or competition, the sole purpose of which is to determine qualification or relegation in respect of a following year's Championship or League, shall not be deemed to be the 'same Competition' as that of the current year's Championship or League, as applicable, and shall not entail a 'next game suspension' arising from a current Championship or League game.

Effect of a Suspension

- (d) A Term of Suspension arising from Category I, III or IV Misconduct at Games Infraction by Players means a Suspension from playing in Games (including Tournaments and Challenge Games) as specified, and from acting as a Referee, Umpire, Linesman or Sideline Official.

Exception to Above:

A term of Suspension arising from Category IV Infraction 5.34 (Hurling) or 5.30 (Football) is imposed under Rule 7.2(e). The effect of such suspension is as outlined in Rule 7.5(e).

A Match Suspension involves only a player being suspended from playing in a game(s) in a specified competition.

- (e) A Suspension for all other Infractions provided for in Rule or County Bye-Laws means Suspension from all functions, privileges and Competitions under the Association's control, but not from membership of the Association.
- (f) In the case of disciplinary proceedings involving a member who is in receipt of remuneration under a contract of employment with the Association or with any unit or agent of the Association, a penalty imposed

under these Rules shall not prevent the member from fulfilling duties required to be performed under the terms of contract.

- (g) In any case where a Suspension has been imposed by a Council or Committee-in-Charge, but the existence of a prior Suspension for a Misconduct at Games Infraction within 48 weeks or 96 weeks (as appropriate), which would affect the penalty applicable, has not in the first instance been brought to the attention of the Council or Committee-in-Charge, the Council or Committee-in-Charge shall impose such additional penalty as applies to the case.

An additional Term of Suspension imposed shall commence at the date of expiry of the suspension already imposed or from the date of the last Game played, whichever is the later.

An additional Match Suspension(s) imposed shall be applicable to the next game(s) in the specified competition, even if the game(s) occur(s) in the following year's competition.

Where the Council or Committee-in-Charge is satisfied that the failure to disclose the prior Suspension was by reason of deliberate concealment, and that the suspended Player played in any Game(s) during the period when he ought to have been suspended, the Council or Committee may impose such additional penalty, including Forfeiture of the Game(s) (without Award to the Opposing Team, except on a proven Objection) and/or further Suspension, as it deems appropriate.

Term of Suspension

- (h) A Term of Suspension shall commence:
- (1) In the case of a player sent from the field of play, immediately upon his being sent off;
 - (2) In the case of illegal participation in a game by a player, he incurs immediate suspension upon so participating. Notwithstanding any other provisions in this Rule, any penalty subsequently imposed on a player arising from such proven

illegal participation shall be applicable in all Codes and at all Levels and shall apply from the date of his last game played.

Exception:

Breach of Rule 2.3 does not carry a Penalty on the individual player.

- (3) In the case of a player reported by the Referee as having committed a Category V or VI Misconduct at Games by Players Infraction after the conclusion of the Game, immediately from the time of the Infraction, subject to his being notified in writing forthwith of the report having been made;
 - (4) In any other case of Misconduct at Games by a player, from the date of his last Game played. Where a Category I (second Repeat Infraction), III or IV Misconduct at Games Infraction is concerned, this shall refer to the last Game in the Code and at the Level in which the Infraction was committed);
 - (5) In the case of a non-player, from the date of acceptance of the Proposed Penalty or the expiration of the three days specified in Rule 7.3(r), whichever is the earlier; or where he seeks a Hearing, from the date of the decision of the Hearings Committee.
- (i) A Term of Suspension shall be in consecutive weeks except:
 - (a) Where a Suspension is extended pursuant to part (g) of this Rule after the expiration of the period first imposed;
 - (b) Where a period of Suspension has already been served by the Defending Party for the particular infraction which is the subject of the Suspension being imposed, in which case credit shall be given for the period of Suspension already served.
 - (j) Where a Term of Suspension has been imposed, it shall terminate at the end (12 midnight) of the last day of the term calculated from the day of

commencement inclusive. For example a Suspension terminates at 12 midnight on a Saturday when the Suspension period commenced on a Sunday.

(k) Match Suspension

- (1) Where a Match Suspension (or Alternative Penalty when a Match Suspension is non-applicable, as outlined in Rule 7.2) is specified for a particular Misconduct at Games by Players Infraction, it shall be operative immediately on the player being sent off.
- (2) In the case of a player reported by the Referee as having committed a Category III or IV Misconduct at Games by Players Infraction after the conclusion of the game, the Match Suspension (or Alternative Penalty when a Match Suspension is non-applicable, as outlined in Rule 7.2) shall be operative immediately, subject to his being notified in writing forthwith of the report having been made.

Penalty for Breach of Suspension

- (1) The penalty for illegal participation while under a Term or Match Suspension shall be:
 - For a Member/Player:** 24 weeks Suspension
 - For a Team** playing a suspended Player:
 - (a) Arising from proven Objection-Award of Game to Opposing Team
 - (b) Arising from an Inquiry by the Council or Committee-in-Charge: Forfeiture of Game without Award of game to the Opposing Team, or Fine, within the discretion of the Council or Committee-in-Charge and depending on the circumstances.

Juvenile Suspensions – Special Rules

- (m) Juvenile players participating in Under 16 or younger Grade Competitions shall be subject to penalties for Infractions occurring at Games on the same basis as under the General Rules above, except that:
 - (i) the minimum Time Suspension imposed for a

- Rule 7.2(b) Category V or VI Infraction shall be one-half of that otherwise applicable; and
- (ii) the penalty for a breach of Playing Membership Requirements (Rule 6.2) or for playing while under Suspension (Rule 7.5(1)) shall be a minimum 4 weeks suspension.
 - (n) Where a Club is suspended, the Suspension shall not apply to its Juvenile (Under 16 and younger) Section unless specifically included by the Council or Committee-in-Charge.

Reduction of Suspensions and other Penalties

- (o) A Council or Committee which imposes a Suspension or other Penalty which is more than the minimum provided for, shall have the power on one subsequent occasion to reduce the penalty imposed on application of the Unit or Member affected, subject as follows:
 - (1) It is demonstrated to the satisfaction of the said Council or Committee that the Penalty imposed is unduly harsh;
 - (2) The Council or Committee may not reduce the Penalty below the minimum provided for in Rule or Bye-law;
 - (3) This Rule shall not authorise any Council or Committee to exonerate the penalised Unit or Member, or treat it or him as having committed any different Infraction; and
 - (4) If the original Suspension or other Penalty was varied on an Appeal, the Review Application must be made to the Appellate Committee concerned.

7.6 Disqualification of Teams and Forfeiture of Games

- (a) Where Forfeiture is imposed, the Team concerned shall be treated as if it had lost the Game concerned, but the Game shall not be Awarded to the Opposing Team, unless provided for in the applicable Rule under which the penalty was imposed.
- (b) Where a Team is Disqualified from a Competition, that Team shall take no further part in that Competition, and if the Disqualification arises from a particular

Game, the Team shall be treated as having Forfeited that Game.

- (c) Any Infractions recorded, Disciplinary Action initiated, or Suspensions or other Penalties imposed in respect of any breaches of Rule at or in connection with any Games played by the Disqualified Team, shall stand.
- (d) No Team defeated by a Disqualified Team in a Knock-Out Competition (including Knock-Out stages of a Competition otherwise organised on a League basis) shall be reinstated into the Competition (except where the Disqualification arises out of a proven Objection).

7.7 Fines

- (a) Fines shall be in the amounts set out in Rules, Bye-Laws and Regulations. Where not specified, the amount of a Fine shall be at the discretion of the Council or Committee-in-Charge but not less than €200.
- (b) Fines shall be imposed only on Units, not on Members.
- (c) In the event of failure to pay a Fine within such period as may be stipulated by the Council or Committee-in-Charge (either at the time of imposition of the Fine or afterwards), the Unit concerned and/or its Officers shall be liable to such sanctions as the Council or Committee-in-Charge shall deem appropriate.

7.8 Debarment

- (a) In appropriate cases, the Council or Committee-in-Charge may, by way of penalty, debar a member from identified privileges of the Association such as playing Games, attending Games, holding office, handling funds, attending occasions other than Games etc.
- (b) Where the Management Committee or Competitions Control Committee (as the case may be) considers that the interests of the Association or its Members may be compromised during a period after notification of Disciplinary Action under Rule 7.3 and any Hearing on foot of that notification, Debarment may be imposed pending the completion of Disciplinary Action, subject to the right to a review by the Hearings Committee. This Rule shall not affect Suspensions that commence, under Rule 7.5(i), prior to a Hearing.

Penalty for Breach of Debarment:

Suspension from all functions and privileges of the Association for the period of Debarment, together with further Suspension for 12 weeks.

7.9**Expulsion**

- (a) No Unit other than a County Committee or higher Unit may exercise the jurisdiction to expel a Member or Club.
- (b) Where a Committee not having jurisdiction to expel, having conducted Disciplinary Action in relation thereto, is of the opinion that Expulsion is the appropriate penalty to be imposed, its recommendation to that effect shall be submitted to its parent Unit having such jurisdiction, for ratification.
- (c) Provided there has been no misapplication or infringement of Rule and the parent Unit is satisfied that the sanction of Expulsion is appropriate, it shall ratify the recommendation and impose the Expulsion recommended. If the recommendation is not ratified, an alternative penalty may be imposed by the parent Committee in substitution for Expulsion or the matter may be remitted to the original Committee for reconsideration.
- (d) Where a Club is expelled from the Association, the Club shall be wound up in accordance with Rule 3.6.
- (e) Where a Club is expelled from the Association, all of its Members shall be expelled in consequence. An individual Member of the expelled Club may apply to the Council or Committee which imposed the penalty of Expulsion to be allowed to acquire Membership of the Association through another Club. The said Committee shall have discretion to grant or refuse such an application, having consulted with the Committee that recommended the Expulsion, where appropriate.

to have the documents corrected shall be at the discretion of the Competitions Control Committee, subject to it not being in excess of three days from the time the Objector or Counter-Objector is informed, not necessarily in writing, of the documents not complying. Other than securing compliance with Rule 1.7, no other alterations shall be made to the documents.

- (f) In the Gaeltacht, or where Bye-Laws stipulate, Objections and Counter-Objections shall be written, and where feasible, or where stipulated in Bye-Laws, discussed, in the Irish language.

Failure of the Council or Committee-in-Charge to adhere to this advised time limit shall not invalidate the Objection or Counter-Objection.
- (h) The Director-General, Provincial or County Secretary or the Council or Committee-in-Charge shall where possible facilitate access to copies of Official Records (or extracts thereof) relevant to the Objection, on written application of any party specifying the Official Record(s) required.  - (l) Where it is not reasonably possible to proceed with the Hearing of the Objection or Counter-Objection before the date of any fixture in the Competition that could be affected by the outcome of the Objection or Counter-Objection, the Competitions Control Committee shall postpone the fixture.

Decision

- (m) A decision shall be made by the Competitions Control Committee on foot of the Hearing. The decision shall be notified to the Objector and the Defending Party.

- (o) The Competitions Control Committee may, arising from the Objection or Counter-Objection, commence any Disciplinary Action as in its discretion it deems appropriate.

No determination of fact by the Decision-Maker shall be set aside unless shown to be manifestly incorrect.

 - (f) A statement that the contents of the Claim are true and accurate.

A prescribed form is set out at the end of this Code, and the Secretary may publish updated prescribed forms for Claims under this Rule.

- 2.2 The Claim shall be notified to the Secretary of The Disputes Resolution Authority as soon as possible after all available appeals within the Rules have been completed, and in any event within 7 days of the last decision, and no Claim shall be entertained after that date, unless the Secretary is satisfied that there is good reason for extending the time.

- 2.3 The Claim shall be accompanied by a deposit in the amount of €1,000 towards the expenses of The Disputes Resolution Authority, which amount shall be reviewed by the Secretary on an annual basis and notified to Central Council in the audited accounts. At the end of any Dispute Resolution proceedings, the total expenses of The Disputes Resolution Authority in the proceedings shall be calculated and the Tribunal (as defined in Section 5) may direct that the expenses be paid by such party or parties as it deems appropriate, and for this purpose may require that any successful Claimant be reimbursed in respect of the deposit by any unsuccessful parties.
- 2.4 The Claimant must serve a copy of the Claim together with copies of any documents supplied to the Secretary on the other party or parties (“the Respondent”) as well as on the Director General of the Gaelic Athletic Association. The Claimant shall confirm in writing to the Secretary when submitting the claim that such documents have been duly served. The date of receipt by the Secretary of the claim shall be the date the dispute resolution proceedings commenced (“the Commencement Date”).

3. Response by Respondent

Within 7 days, or such extended, or in cases of special urgency, reduced, time limit as the Secretary of The Disputes Resolution Authority may impose and notify to the Respondent, of the Commencement Date, the Respondent may send to the Secretary a response (“the Reply”) containing the following details:

- (a) a response by way of admission or denial of each statement in the Claim;
- (b) a brief statement of the nature and circumstances of any applicable counterclaim being made;
- (c) comment in response to any statements contained in the Claim on matters relating to the conduct of the dispute resolution proceedings;
- (d) confirmation that all available avenues of appeal under the Official Guide have been exhausted; and
- (e) a statement that the contents of the Reply are true and accurate.

and shall confirm in writing to the Secretary that a copy of the Reply together with copies of any documents supplied to the Secretary have been duly served on the Claimant,

on any other Respondents and on the Director General of the Gaelic Athletic Association. A prescribed form is set out at the end of this Code and the Secretary may publish updated forms for Replies under this Rule.

4. Mediation

- 4.1 The Disputes Resolution Authority shall encourage mediation and negotiations where practical, and shall, if requested and otherwise at the Secretary's discretion, notify the parties of the names and contact details of persons willing and able to assist in the amicable resolution of disputes within the Rules of the Association.
- 4.2 Mediation and negotiation shall be without prejudice to the dispute resolution proceedings and may take place and continue at any time during the dispute resolution proceedings.

5. The Tribunal

- 5.1 Subject to Section 5.4 below, any dispute submitted to The Disputes Resolution Authority shall be decided by a Tribunal ("the Tribunal") of three persons selected from The Disputes Resolution Authority's Panel, at least one of whom shall be selected from Group 1 and at least one of whom shall be selected from Group 2 of the Panel.
- 5.2 Every person conducting dispute resolution proceedings under this Code must be independent and impartial, and must never act as advocate for any party.
- 5.3 The Secretary of The Disputes Resolution Authority shall provisionally select the Tribunal from The Disputes Resolution Authority's Panel and shall notify the parties of the names of the Tribunal members as soon as practicable after they have been selected. The Tribunal shall be so constituted, unless the Secretary receives an objection from one or more parties to any person provisionally selected within three days of notification (or such shorter period as may be set in the event that the hearing is set for an earlier date), and is satisfied that such person has a genuine conflict of interest.
- 5.4 If all parties to the dispute agree that the Tribunal shall consist of only one person nominated by them from The

Disputes Resolution Authority's Panel, they must notify the Secretary accordingly, and the Secretary, provided that he/she is satisfied that the nominated person is independent of the parties to the dispute, shall appoint that one person, and that one person shall constitute a valid Tribunal.

- 5.5 If any member of the Tribunal refuses, or in the opinion of the Secretary becomes unable or unfit to act, the Secretary of The Disputes Resolution Authority shall appoint another person to the Tribunal in his/her place.
- 5.6 The Tribunal members shall select one of their number to act as Chairperson, and in default of agreement, the Secretary shall select the Chairperson.
- 5.7 The Tribunal may decide on its own jurisdiction, including any objections with respect to the existence or validity of the particular referral to arbitration in accordance with the Official Guide. For that purpose, this Code shall be treated as an agreement independent of the other terms of the Rules of the Association.

6. Communications

- 6.1 The parties shall not communicate with the Tribunal except through the Secretary of The Disputes Resolution Authority, unless so directed by the Secretary.
- 6.2 The Secretary may communicate with any party directly to confirm receipt of Documents, and may send copies of any Documents to them.
- 6.3 Correspondence from one party to the Secretary of the Disputes Resolution Authority shall be accompanied by three extra copies, and a further copy of such correspondence must be sent by that party to every other party to the dispute.
- 6.4 All communications shall be either hand delivered or sent by post, email or facsimile transmission to the parties at the addresses set out for each in the Claim, or at such address as any party may have previously notified The Disputes Resolution Authority, the Tribunal and the other parties. Any such communication shall be deemed to be served:
 - (a) if hand delivered, at the time of delivery,
 - (b) if posted, at the expiration of 48 hours after the

- envelope containing the same shall have been put in the post, and
- (c) if sent by email or facsimile transmission, at the expiration of 12 hours after receipt of the same has been automatically acknowledged to the sender thereof, and in proving such service, it shall be sufficient to prove that delivery was made or that the envelope containing the communication was properly addressed and posted as a prepaid letter, or that the email or facsimile transmission was properly addressed, despatched and acknowledged as the case may be.
- 6.5 In cases of special urgency, the Secretary, the Tribunal and (provided that permission from the Secretary has been obtained) the parties may use telephone or such other methods as are necessary in order to give notice.
- 6.6 The Tribunal may deem communications to be adequate notwithstanding a failure of compliance with this Section 6, if the same were sufficiently effective.

7. Conduct of the Proceedings

- 7.1 The Tribunal shall conduct the dispute resolution proceedings in such manner as it considers fit and may follow any arbitral procedure agreed by the parties if it is in the Tribunal's opinion reasonably practicable so to do.
- 7.2 The Tribunal or its Chairperson may hold a preliminary meeting with the parties at which the parties may be given directions as to time limits and procedures, including time-tables in respect of steps to be taken.
- 7.3 If directed to do so by the Tribunal, the parties shall make written submissions to the Tribunal giving further details of their Claim and Reply.
- 7.4 In cases of special urgency, the Tribunal (or, if the Tribunal has not yet been constituted, the Secretary of The Disputes Resolution Authority) may, on the application of either party, direct that a hearing be held on a specific date and that any time limits set out in this Code be varied, as so directed.
- 7.5 Each party must submit to the Secretary within such time as the Tribunal shall direct, copies of every document

on which that party will rely, unless that document has previously been submitted to the Secretary. Copies shall also be sent by that party to all other parties to the proceedings.

- 7.6 The Tribunal may proceed with the dispute resolution procedures and make its decision even if the Respondent has failed to serve a Reply.
A Respondent who does not complete and serve a Reply in accordance with Section 3 may not, without the leave of the Tribunal, contest any Claim.
- 7.7 If any party deliberately or recklessly misleads the Secretary or the Tribunal as to any facts relevant to the dispute or referral, the Tribunal may dismiss their Claim or strike out their Reply and make punitive awards as to costs.

8. Interim Rulings

- 8.1 A Claimant may apply to the Tribunal for interim temporary remedies where necessary in order to preserve the status quo ante pending the Hearing. If any claim for any interim remedy is being made, then subject to Section 7.4, it must be set out on the Claim.
- 8.2 Subject to Section 8.3, such applications shall be heard on a day and at a place and time suitable to the Tribunal, with at least 3 days' notice to the Respondent(s). The Tribunal shall have the same powers as a Court of Law in legal proceedings alleging a breach of contract.
- 8.3 In cases of special urgency, the Tribunal (or, if the Tribunal has not yet been constituted, the Secretary of The Disputes Resolution Authority) may (i) shorten the time required for notice or (ii) dispense with notice, and grant such temporary interim remedy as is appropriate, if the Claimant shows that it has been impossible or impracticable to meet the notice requirements.
- 8.4 No interim remedy shall be granted in the event that the Tribunal or the Secretary of the Disputes Resolution Authority, as the case may be, finds that the Claimant has unreasonably delayed in bringing the application for temporary interim remedy.
- 8.5 If an interim order is made and at the Hearing it is subsequently found that such interim order was inappropriate, the Tribunal may affix the Claimant

with liability for any loss or damage thereby incurred by the Respondent(s), unless one or more exceptional countervailing factors are found to exist by the Tribunal.

- 8.6 All parties shall comply with the interim orders of the Tribunal, in default of which the Claim or the Reply (as the case may be) may be struck out without consideration of the substantive Claim.

9. Hearings

- 9.1 The Tribunal shall fix the date, time and place of any hearings in the dispute resolution proceedings and shall give the parties as much notice as practicable of same. All such hearings shall be in private.
- 9.2 For the avoidance of doubt, the Tribunal may direct that the parties should make written submissions and that no evidence will be given orally.
- 9.3 Where the proceedings involve a matter of exceptional importance to the Association, the Tribunal in its absolute discretion may invite submissions from Central Council or any other appropriate party regarding the consequences for members and units of the Association other than those party to the dispute of any decision it might make. In any case it shall be open to Central Council to make an oral and/or written submission to the Tribunal.

10. Witnesses

- 10.1 The parties must notify the Tribunal and other parties as soon as practicable and within any time limits set by the Tribunal of the identity of any witnesses they wish to call, and, if the Tribunal requires it, each party shall disclose the subject matter and content of the evidence on which each such witness shall be relying and how that evidence relates to the points at issue.
- 10.2 The Tribunal may question a witness at any stage, and shall supervise the questioning of a witness by the parties.

11. Decisions

- 11.1 If in the opinion of the majority of the Tribunal, one member of the Tribunal has refused or failed to comply

with this Code or any applicable law relating to the making of the decision and/or award, having been given a reasonable opportunity to do so, the other members may remove him/her, and the remaining members shall proceed in his/her absence.

- 11.2 The Tribunal shall decide on any issue by majority. The final decision shall be in writing and shall be accompanied by the reasons on which it is based. The decision shall bear the date on which it was agreed by the Tribunal, and shall be signed by each member of the Tribunal, though it shall not be necessary for each Tribunal member to sign the decision on the same date. Save in exceptional circumstances, to be set out in writing by the Tribunal, the Party deemed by the Tribunal to have been successful in the disputes resolution proceedings shall, on application, be entitled to its reasonable costs. If requested by either party, the Tribunal shall measure costs.
- 11.3 The Tribunal may direct any party to the dispute resolution proceedings to take, or abstain from taking, any steps, within the Rules of the Association and with due regard to the rights of third parties, including, but not limited to, the re-hearing of any disciplinary or other decision-making process, with or without directions as to the proper procedures to be applied.
- 11.4 In the event of a decision or procedure being quashed, and with agreement of both parties, the Tribunal may conduct a full hearing as if it were an appellate body of last resort under the Rules of the Association, with power to fully conduct the procedure which has been quashed. No decision made by the Tribunal in this context shall be susceptible to appeal or review by any body.
- 11.5 In the event that the parties in dispute agree a resolution of the dispute at any stage in the referral prior to the delivery of the decision, the Tribunal, if satisfied that such proposed resolution is within the Rules of the Association and does not occasion any breach of contract or other act whereby any third party is prejudiced, may ratify the resolution, in which case it shall have the same force as if it were a decision of the Tribunal.

- 11.6 The Chairperson of the Tribunal shall arrange for the decision to be delivered to the Secretary of the Disputes Resolution Authority, and the Secretary shall notify the parties and the Director General of the Gaelic Athletic Association accordingly.

12. General Rules

- 12.1 If, notwithstanding the fact that any provision or requirement of this Code has not been complied with, a party proceeds with dispute resolution proceedings without promptly stating its objection, that party shall have waived its right to object.
- 12.2 Save in respect of decisions made prior to the constitution of a Tribunal and the election of its Chairperson, any decision of the Secretary of the Disputes Resolution Authority may be appealed to the Tribunal.

Dr. Croke's Letter

At the founding of the Association the following letter was received from the Most Rev. T. W. Croke, Archbishop of Cashel and Emlly: The Palace, Thurles,
December 18th, 1884

My Dear Sir - I beg to acknowledge the receipt of your communication inviting me to become a patron of the Gaelic Athletic Association, of which you are it appears, the Hon. Secretary. I accede to your request with the utmost pleasure.

One of the most painful, let me assure you, and at the same time, one of the most frequently recurring, reflections that, as an Irishman, I am compelled to make in connection with the present aspect of things in this country, is derived from the ugly and irritating fact, that we are daily importing from England, not only her manufactured goods, which we cannot help doing, since she has practically strangled our own manufacturing appliances, but, together with her fashions, her accents, her vicious literature, her music, her dances and her manifold mannerisms, her games also, and her pastimes, to the utter discredit of our own grand national sports, and to the sore humiliation, as I believe, of every genuine son and daughter of the old land.

Ball-playing, hurling, football-kicking according to Irish rules, 'casting,' leaping in various ways, wrestling, handy-grips, top-pegging, leap-frog, rounders, tip-in-the hat, and all such favourite exercises and amusements amongst men and boys may now be said to be not only dead and buried, but in several localities to be entirely forgotten and unknown. And what have we got in their stead? We have got such foreign and fantastic field sports as lawn tennis, polo, croquet, cricket, and the like - very excellent, I believe, and health-giving exercises in their way, still not racy of the soil, but rather alien, on the contrary, to it, as are indeed, for the most part, the men and women who first imported, and still continue to patronise them.

And, unfortunately, it is not our national sports alone that are held in dishonour and are dying out, but even our most suggestive national celebrations are being gradually effaced and extinguished, one after another as well. Who hears now of snap-apple night, pancake night, or bon-fire night? They are all things of the past, too vulgar to be spoken of except in ridicule by the degenerate dandies of the day. No doubt, there is something rather pleasing to the eye

in the get-up of a modern man, who arrayed in light attire, with parti-coloured cap on and a racquet in hand, making his way, with or without a companion, to the tennis ground. But for my part, I should vastly prefer to behold, or think of, the youthful athletes whom I used to see in my early days at fair and pattern, bereft of shoes and coat, and thus prepared to play at handball, to fly over any number of horses, to throw the 'sledge', or 'winding-stone', and to test each other's metal and activity by the trying ordeal of 'three leaps', or a 'hop, step and jump'.

Indeed if we continue travelling for the next score years in the same direction that we have been going in for some time past, condemning the sports that were practised by our forefathers, effacing our national features as though we were ashamed of them, and putting on, with England's stuffs and broadcloths, her masher habits and such other effeminate follies as she may recommend, we had better at once, and publicly, abjure our nationality, clap hands for joy at sight of the Union Jack, and place 'England's bloody red' exultantly above the green.

Deprecating as I do any such dire and disgraceful consummation, and seeing in your society of athletes something altogether opposing to it, I shall be happy to do all for it that I can, and authorise you now formally to place my name on the roll of your patrons.

In conclusion, I earnestly hope that our national journals will not disdain in future to give suitable notices of these Irish sports and pastimes which your Society means to patronise and promote, and that the masters and pupils of our Irish Colleges will not henceforth exclude from their athletic programmes such manly exercises as I have just referred to and commemorated.

I remain, my dear Sir,
Your very faithful servant,
T. W. CROKE,
Archbishop of Cashel.

To: Mr. Michael Cusack.
Hon. Sec. of the Gaelic Athletic Association.

APPENDIX 8

MICHAEL CUSACK: MAURICE DAVIN: ARCHBISHOP CROKE

It is no injustice to the services rendered by many zealous and constructive persons connected with the establishment of the Gaelic Athletic Association to accord to Michael Cusack, Maurice Davin and Archbishop Croke the greater share of credit for the creation and character of this National Organisation. Each in his own person embodied and imparted to the movement a distinct principle, and the triple union of aims and impulses thus attained constituted a potent National Ideal.

MICHAEL CUSACK conceived in the Association a powerful bulwark against the inroads of alien influences and ideas of existence. He was the uncompromising champion of all distinctive Gaelic traditions, institutions and cultural possessions and fashioned the G.A.A. as a future army of resurgent Gaeldom. He was born in Carron, Burren, Co. Clare, on the 20th September, 1847, and died 27th November, 1906.

MAURICE DAVIN had the same pride in native customs that fostered manliness. His concern was to preserve the dignity and vindicate the prestige of native athleticism and rescue it from humiliating alien influences. As one of an outstanding family of athletes, he resented these, and no one was better fitted to lead the revolt against them. For this, and because of his personal prowess in the arena, Maurice Davin may justly be acknowledged as the "Father of Modern Irish Athletics". He was born in Carrick-on-Suir,

Co. Tipperary, 29th June, 1842, and died on 26th January, 1927.

DR. CROKE brought a third and immeasurably powerful element of strength into the Association when he became its first Patron. As Archbishop of Cashel, his approval was of the utmost importance. It was opportunely forthcoming, and until the day of his death his interest in the well-being and success of the G.A.A. never diminished. When it was threatened with disruption he brought the dissident parties together: when it was assailed he defended it: when it was in need of practical help, he gave it. A lover of all manly outdoor sports belonging to the people, Dr. Croke realised the immense moral benefits to be gained by organisation and discipline, and as an advocate of national independence, he saw in those self-disciplined ranks an invaluable force for the attainment of that long-sought goal. He was born in Mallow, Co. Cork, on 19th

May, 1824, and died on 22nd July, 1902.

So long as the Gaelic Athletic Association exists and so long as our distinctive pastimes flourish in our midst, the memory and services of these three men, Pioneer, President and Patron, to the cause of a Free and Gaelic Ireland must be held in grateful respect.

The decision to grant planning permission has been taken having regard to the policies and proposals in the Solihull Local Plan 2013 set out below, together with all other relevant material considerations, including Supplementary Planning Guidance, and the particular circumstances and reasons summarised below.

In reaching this decision the Council is mindful of the particular circumstances and reasons set out below, namely: (a) Open Space/ Playfield Impact; (b) Green Belt Impact; c) Landscape Impact; (d) Design Impact; (e) Neighbour Amenity Impact; and (f) Highways and Parking Impact.

NOTE: Noise During Construction: Noise from construction and associated works has the potential to cause disturbance to neighbouring residents. In order to minimise this, this Authority would normally recommend that any work audible beyond the boundary of the site should only be carried out between the hours of 8.00 am to 6.00 pm on Mondays to Fridays and 8.00 am to 1.00 pm on Saturdays; there should be no noisy works carried out on Sundays or Bank Holidays. Best practicable means to prevent noise from the site should also be employed as defined in British Standard BS 5228 Part 1: 1984 (or its successors/revisions). Failure to keep these hours or to employ best practicable means to control noise could lead to the service of an enforcement notice under Section 60 of the Control of Pollution Act 1974. We would encourage applications for prior consent under Section 61 of the Act, particularly where the construction and/or demolition phases(s) may be prolonged or if work may be undertaken beyond the aforementioned hours. Please contact the Contact Centre (0121 704 8000) for further details.

Burning of Refuse on Demolition and Construction Sites: Because of the potential for nuisance to neighbours, burning of refuse prior to or during the construction phase is not

generally acceptable and may be contrary to waste regulation legislation. If you do have special circumstances, such as a requirement to dispose of wood infected by disease or insects, please contact the Contact Centre on (0121 704 8000) for further details.

Dust Control on Demolition and Construction Sites: Because of the potential for nuisance to neighbours and damage to property, reasonable steps to reduce dust emissions should be employed, particularly during any demolition works and in periods of dry weather.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision of your application, then you must do so within: 28 days of the date of the service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
